The Mouse That Went to School . . .

Once upon a time it was noted that a little mouse occupied one of the lockers near the Bend office.

As the bells rang each day, this nosey, tiny mouse was seen scampering from room to room.

When his country cousins visited him recently, he planned a tour of the school and showed them a sampling of our school life.

Here follows what his cousins saw.

Join them, please!

A Tribute to a Worthy Career

4 . . . MR. ROY T. GRIGNON

Dedication

Mr. Roy T. Grignon as
seen in his 1929
application picture.

The retirement of any good teacher is a saddening loss; but when Mr. Grignon leaves West Bend High School, he will leave with a feeling of satisfaction. Pop, as he is affectionately known to his students, is not only a master of the subject matter of chemistry, but also an understanding instructor who knew his students.

This year he completes his 34th year of teaching at West Bend. Previously, he had taught at Marinette for five years. Well qualified for his profession, he received his Bachelor's Degree from Lawrence College and his Master's Degree from the University of Wisconsin.

Because he enjoyed working with young people, Pop supervised activities outside the classroom serving as Faculty Manager of Athletics for 25 years, as Director of Intramural Sports for 15 years, and as Golf Coach for 27 years.

For his fine record of service to the West Bend High School and the community, we proudly dedicate the 1963 *Bend* to Mr. Roy T. Grignon.

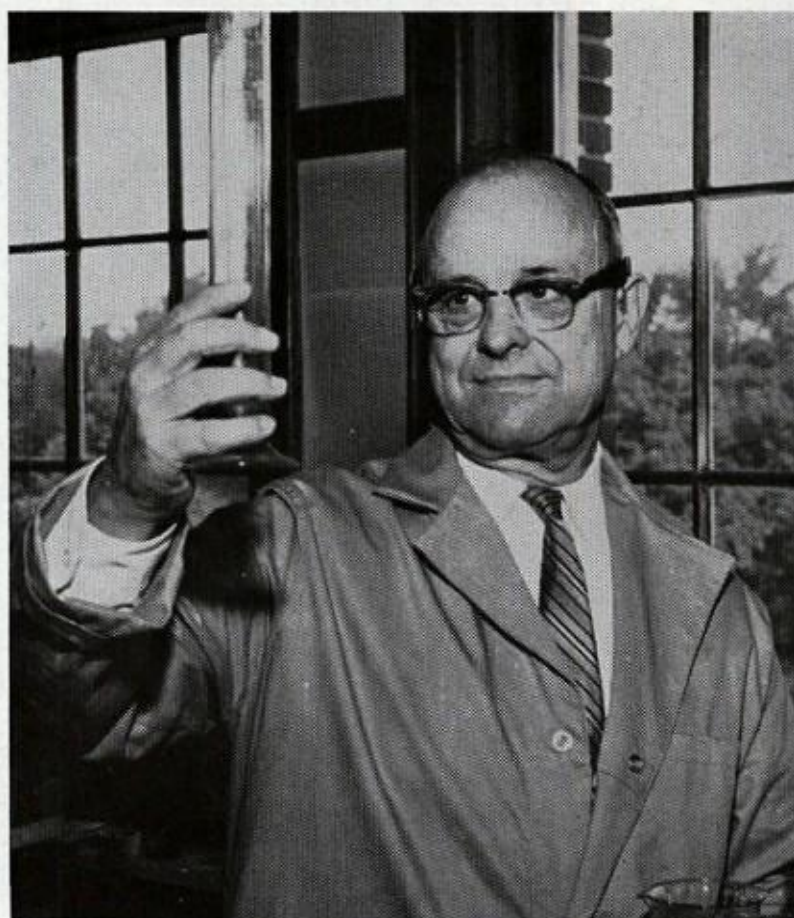

In Farewell I Say . . .

The other day I was asked this question: "Pop, if you had your life to live over again, would you still be a teacher?" When I think of the excitement of athletic contests, the hum of school activities, the sonic booms in my laboratory, the concentration of young people trying to learn a most complex subject and the hundreds of nice young people I have been privileged to work with, the answer is an emphatic, "Yes!"

Having been blessed with these experiences, may I advise you young people, while gathering pleasant memories, to work hard and get everything in school now to be prepared for the complex world of tomorrow. Believe me, it is complex; and he who is best prepared will best succeed. This is my final word to you as I say good-bye, good luck, and may the best of everything be yours.

POP GRIGNON

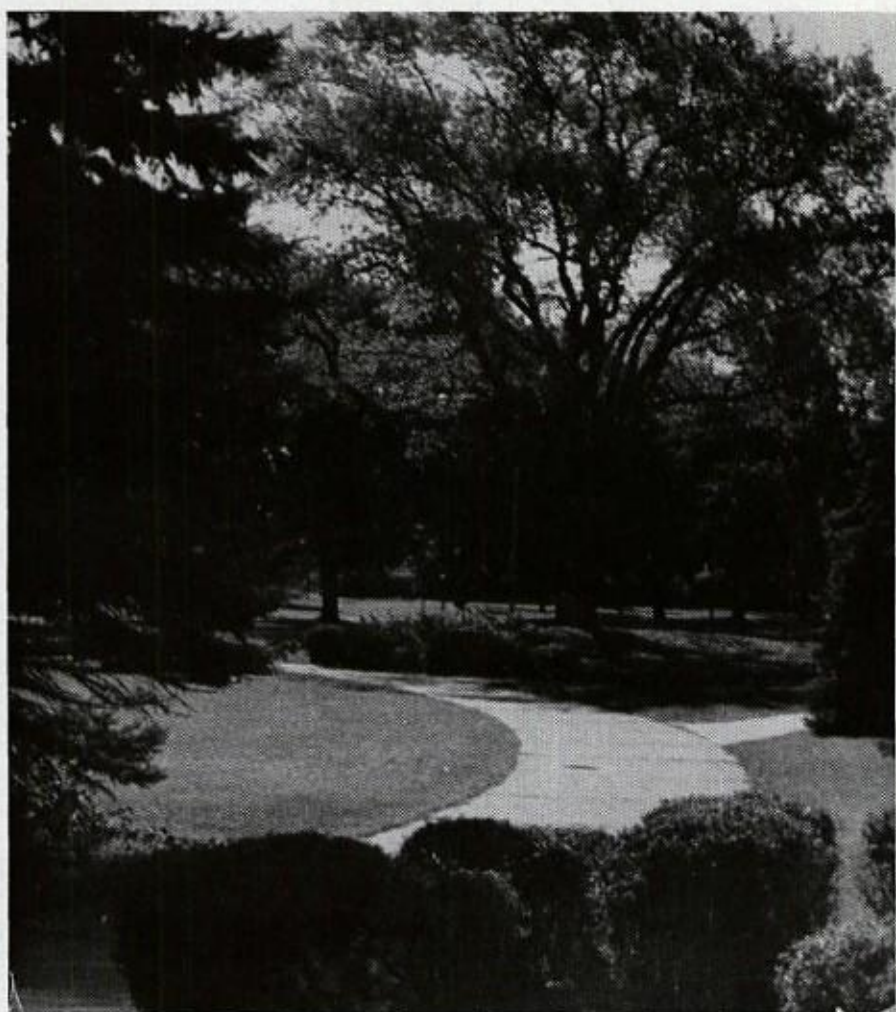

"Pop" Grignon as we know him.

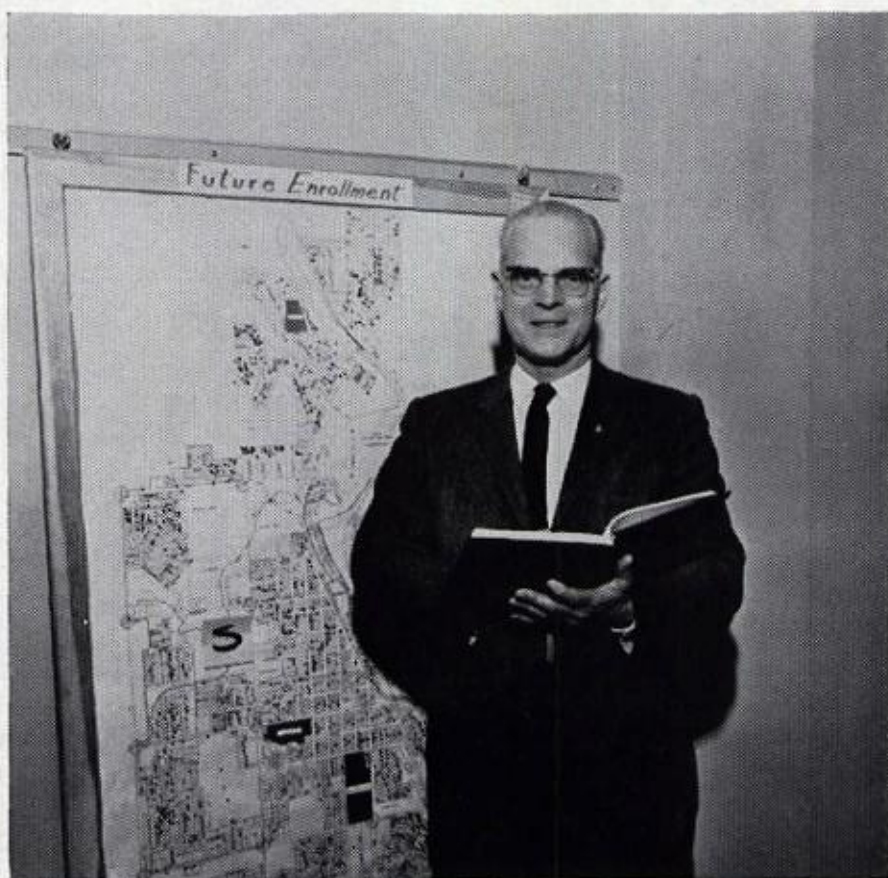

Campus . . . Surroundings Conducive to Learning

*There's beauty all around our paths,
If but our watchful eyes
Can trace it midst familiar things,
And through their lowly guise.*
--- Felicia D. Hemans

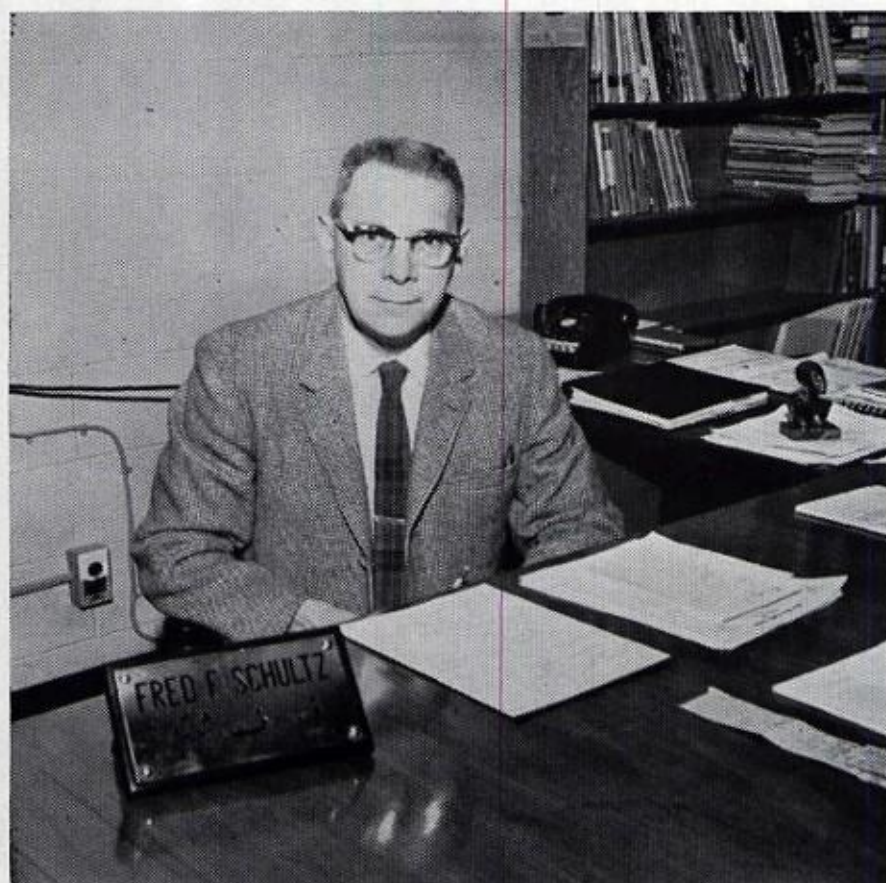

Throughout the school year, from September to June, the West Bend High School campus scene undergoes a continuous evolution. At the beginning of a new year, we see the shadows of fall spread over the grounds. The grass remains green for a while, but the leaves slowly begin to turn from summer green to variegated shades of yellow, orange, and brown. In a few short months, snow begins to spread a mantle of white over the campus. The snow maintains its stay until warmer days arrive, foretelling the advent of spring, which everyone anticipates. Soon, the campus assumes the welcome shades of summer, and another year ends on the campus of West Bend High School.

Mr. Paul M. Loofboro, Superintendent of Schools

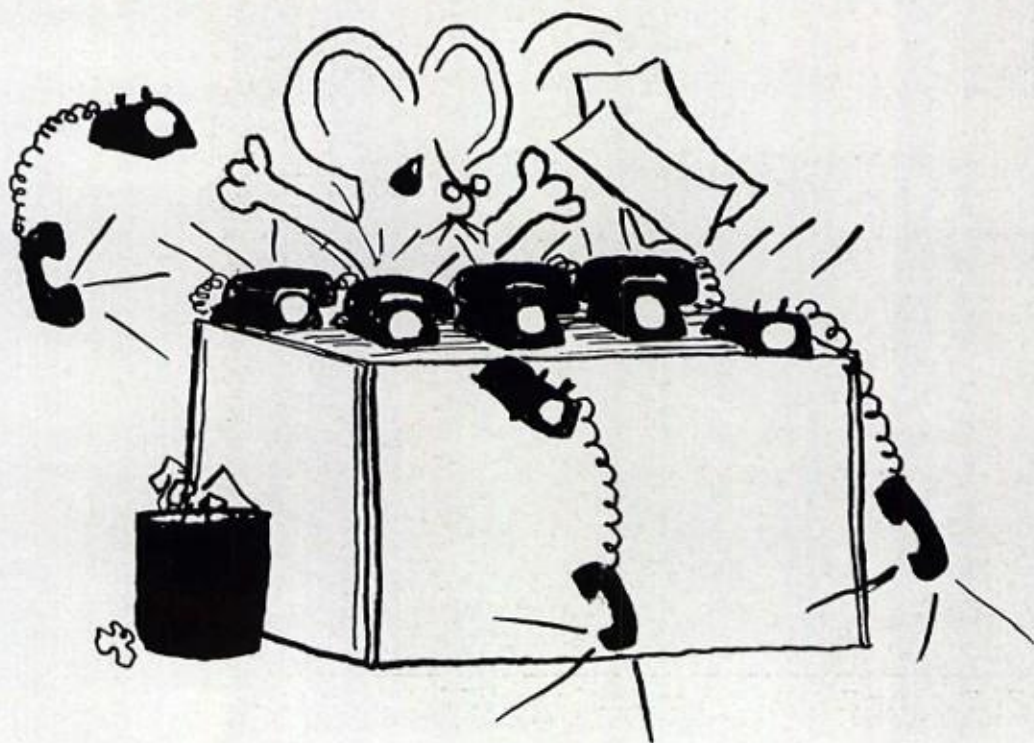

Mr. Fred Schultz, Curriculum Co-ordinator

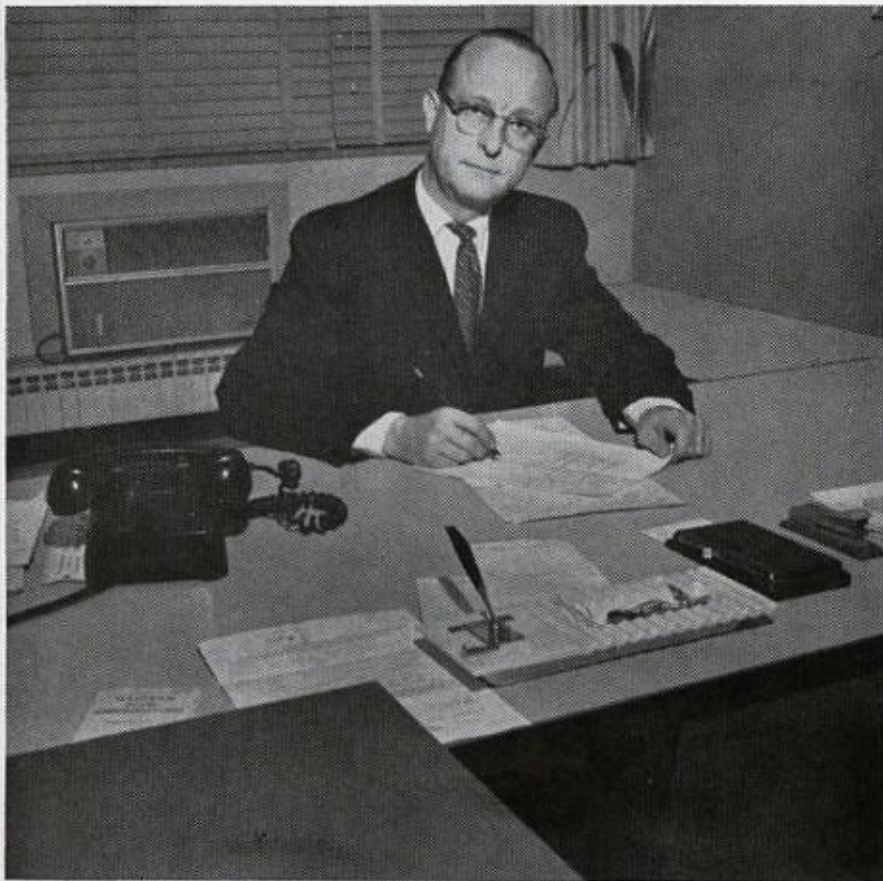

The administration, forming the foundation for all school activities, is, perhaps, the most important part of our school system. Although the duties of the administrators are many and varied, they are carried out with efficiency.

Responsible for a smooth running school, the administration is always behind the scene, making vital decisions and executing policies to bring about best results.

Administration . . . Serving the School

Mr. Carl Schneiss, Treasurer Mr. Randall Parker

Mr. Roy Papke, Business Manager

Mr. Arthur E. Weiner, Principal

The administration operates with an eye to the future and with a practical approach to all matters concerning the school. It is aware of its duties to the community, as well as to the students. With an ever-expanding school district, the administration does not have an easy task.

Over the years, we have been fortunate to have an administration that is efficient, dedicated, and ready to serve at all times.

A teacher on the West Bend High School staff must indeed be a well-rounded individual --- one who is capable of not only performing his or her classroom duties but also taking over as a club advisor, director, forensics coach, or athletic coach.

Teachers are people we students meet in the hallways, at dances, and at basketball games. In fact, we are apt to see them almost anywhere. Since our mentors are involved in innumerable extra-curricular activities, we students no longer associate them with the classroom situation only.

However, a teacher's second home is his classroom for it is here that he spends a goodly number of hours each day: instructing his students, answering questions, and correcting assignments. To his students, he gives freely of himself so that every one will benefit by his instruction.

The teaching staff at West Bend High School is one of which we students can feel justly proud, for we know that our faculty cannot be surpassed in leadership, integrity, and dedication.

Guidance . . . Advice With Understanding

Miss Marita Yahr

The person you are today is the result of everything that's happened to you during your life. So what you do now will affect the person you'll be twenty years from now. That's why it's important during your high school years to look ahead, decide what you want in life, and direct your activities toward those goals.

--- College Handbook

Students pondering a question or problem about the present or future have only to step into the Guidance Office to get qualified and understanding counseling. The department, composed of Mr. Eggert and Miss Yahr, acts mainly in the capacity of advising students about colleges, subjects, and careers.

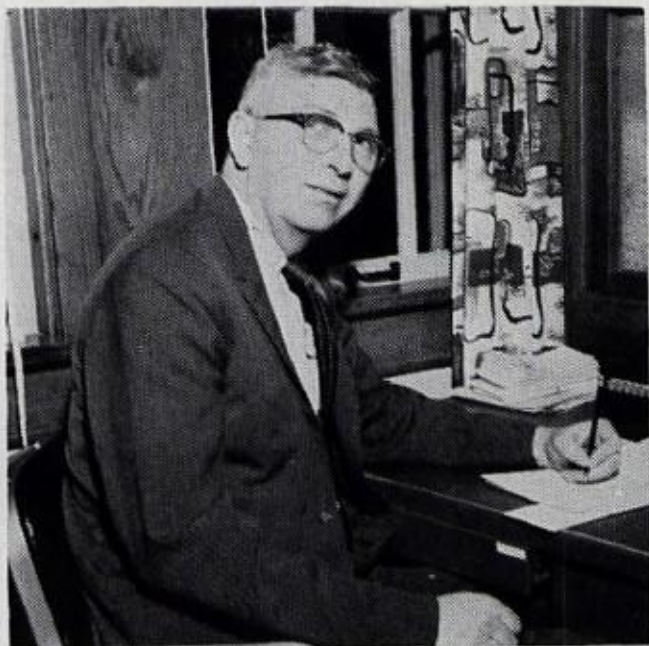

In the office itself, catalogs from every college in the United States can be found and are available to every student upon request. For his own convenience, a student may borrow any catalog he desires for a certain length of time.

In this same respect, the department helps students apply to these colleges for admission. College-bound students are given help as to their courses and programs in pursuit of their particular careers. Of course, not only these students get aid from the Guidance Department.

The department has the time-consuming responsibility of administering varied aptitude and achievement tests. These tests include: The Metropolitan Achievement Test, which is school-wide, the College Board Examinations, and the National Merit Scholarship Test.

The department also helps students apply for jobs at companies and offices in the city and advises them on selection of a job.

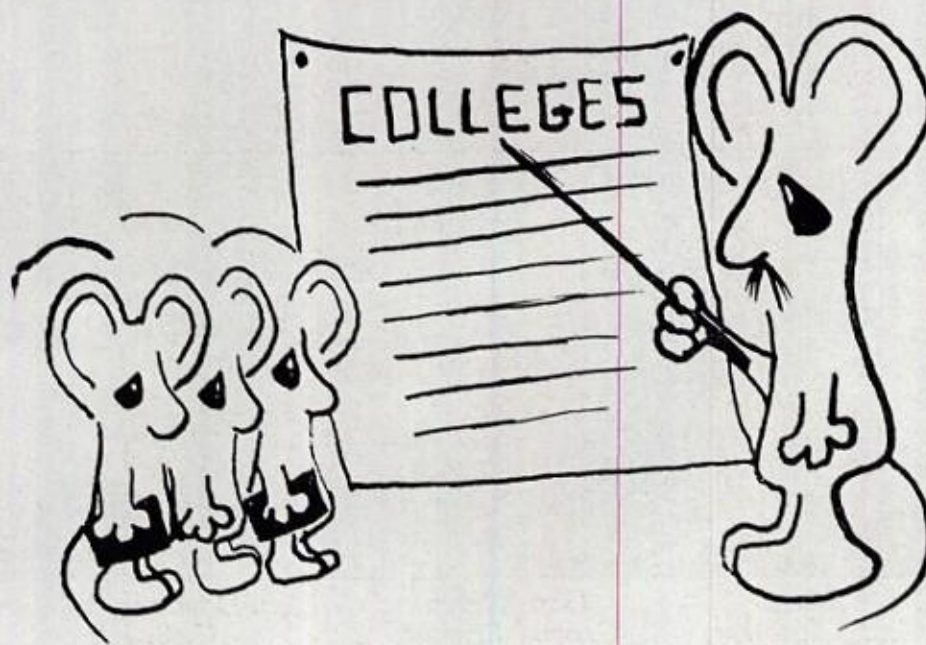

Acting in these various capacities, the members of the Guidance Department have proved their worth over and over, and gratitude for their services is felt at some time or other by each and every student.

Winner of Merit Scholarship --- Bob Justl.

For four years, members of the class of '63 have walked the halls of West Bend High School. It seems only yesterday that we were freshmen, learning to push through the crowds. Each new year we have stepped a little deeper into the struggle of life, and we are now about to make our bid for independence. Throughout our four years, we have had many experiences to give us pride and a sense of satisfaction.

We began with contributing our time and effort to the numerous extra-curricular activities including debate, forensics, and various clubs. We had outstanding athletes and generally became accustomed to the swing of things. Later, we proved our ability to accept social responsibilities and made the May Ball and Post Prom something to remember. We showed ourselves to be scholastically capable, a preview of the leadership we very ably assumed during the next few years.

In the next two years, we took advantage of the many opportunities offered to us. It was significant that there were so many in our class who proved to be leaders. Instead of having only a select few, we proved that on the average our class was extremely capable in handling the varied situations which faced us.

Talent was present in many areas. Some starred in the operettas, "Brigadoon" and "Carousel." Others performed in many plays. Our leaders excelled in governing in the YAC council and Student Senate, and outstanding students brought honor by scoring extremely high on national scholarship examinations.

WINNERS OF NATIONAL MERIT LETTERS OF COMMENDATION

Rear --- Jim Groth, Dave Scheer, Dave Hammer, Dan Clemens,

Our athletes were second to none and crowned their high school careers by going undefeated in football and winning individual state titles in swimming.

Besides sports, we triumphed in other areas. Our three state debate champions and our AFS representative to Argentina, our homecoming queen and our representatives to Badger Boys' and Badger Girls' State all deserve high commendation. We will never forget our work on the Junior Prom, "Ebb Tide," and our representatives who headed the Clipper and Bend staffs. Everything that we have accomplished has given us a sense of pride in our work and a willingness to move ahead in the future.

The four years in school have been an experiment with life. It is here that we have come in contact with other people and their ideas, here that we learned to accept responsibility and authority, here that we have moved into position to begin our lives in a world in which the only shelter available is our knowledge and ingenuity. Upon graduating, we will end an era. Now we must make a break from childhood and begin living as adults. The class of 1963 has proven itself ready to fill the vacancies left by the older generation.

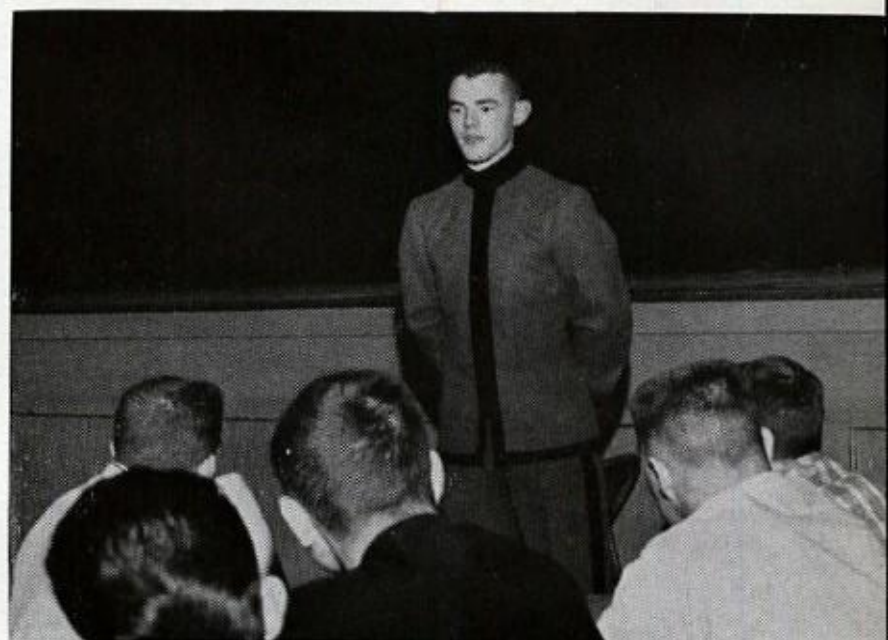

As we look back on our high school careers, we recall, with fondness, the friendships we made, the experiences we shared, and the accomplishments we achieved.

Entering the Ranks as Upperclassmen . . .

The members of the junior class returned to school last September ready to accept the fun and responsibilities that their third year would bring them. To lead them toward their goal of making this year the best yet, the juniors elected Tom King, Bill Filo, and Kathy Kauth to the class offices of president, vice-president, and secretary-treasurer, respectively.

Soon after class elections, Homecoming time rolled around. We were proud of our court representatives, Sandy Krieger and Rick Ginocchio. We were more than proud of the juniors who as active members of our varsity team helped it compile the first perfect football season in West Bend history.

Hardly had the football season ended when winter sports began. Once again, junior boys sparked varsity teams. On the varsity basketball team, Rick Ginocchio was the outstanding junior cager. Junior wrestlers gave their group of devoted fans some great matches. In the pool, junior swimmers all turned in fine performances for the varsity swim team.

Badger football and basketball fans will long remember the enthusiasm generated by this year's varsity cheerleaders, five of whom were juniors. Seven junior girls composed one of two

newly-organized pom-pom girl groups, which entertained the basketball crowds at halftime.

As the weather warmed, many junior boys brought honors to WBHS through their performances in tennis, track, golf, and baseball.

Juniors excelled not only in athletic contests but proved themselves capable academically as well. Two juniors, Bruce Hutson and Sharyn Cypher placed second and third, respectively, in the local VFW speaking contest. Throughout the winter and spring, the junior debaters argued the free-trade question.

The operetta gave junior talent another chance to shine. "Carousel" starred Mike Naumann and featured Lynn Olson and Chris Anderson.

Of course, the biggest event of the junior year was the Junior Prom, held late in April. The fairy-tale setting made the Junior Prom of 1963 an occasion long to be remembered.

Juniors will carry many memories with them from their third year at WBHS . . . the chemistry experiment that almost succeeded . . . College Boards . . . Maria . . . "Pop" . . . Retaining these pleasant memories, the junior class looks forward with anticipation to the excitement of their senior year.

SOPHOMORE CLASS OFFICERS
Vice-President, John Hron; Secretary-Treasurer, Mary Ann Gonring; President, Don Heinecke.

As over 300 of us entered West Bend High School for our second year, we set our goals high. Our efforts were directed first and foremost toward academic achievements, and secondly toward athletic and social accomplishments.

After a careful selection of candidates, we elected three capable officers: Don Heinecke as president, John Hron as vice-president, and Mary Ann Gonring as secretary-treasurer.

As we progressed into the school year, football became the favored sport. We had every right to be proud of the boys who represented our class on the "B" team.

With the advent of football, our attention turned to Homecoming. Our representative on the Homecoming

Court was the popular and pretty Christine Gumm. Mike Engelbrecht was Christine's escort. We also take pride in the fact that Mr. Weier's sophomore homeroom took first place for their float with the slogan, "We'll Badger the Beavers."

With the football season coming to a close, we settled down to the various indoor sports including basketball, swimming, and wrestling. Our boys came through with admirable performances in all of these. Many of our boys were on the "B" basketball team. Two of our boys, Mike Engelbrecht and Jim Bradley, also made the varsity team.

We had some excellent representatives on the wrestling and swimming teams. Wally Weiss, breaking many former school records, made an exceptionally good showing on the swimming team. The sophomore boys also did a praise-worthy job on the tennis and track teams.

But the subject of sports, as concerns the sophomore class, cannot be dropped with just the naming of some of the players and the accomplishments of the teams. We cannot overlook the enthusiasm and loyalty displayed by the ever-present cheerleaders, Karla Kuss and Kathy Rowe.

All of these athletic achievements are fine, but what about those who are not athletically-minded? These students found their places in other activities such as debate, forensics, Drama Club, Future Teachers, AFS, and others too numerous to mention here.

We set our aims high, and came up with a lot of note-worthy achievements. But this does not mean that we will sit back and rest on our laurels. No, we will set our goals even higher in the next two years and hope to enhance further the enviable reputation of West Bend High School. We are sure that our first two years are only a preview of what will come.

Embarking on Their High School Years . . .

FRESHMAN CLASS OFFICERS

Vice-President, Sandy Hansen; President, Patty Schwitzer; Secretary-Treasurer, Karen Troedel.

We freshmen received our first "taste" of West Bend High School during the morning of freshman orientation day. Some of us were scared. Some were confused. But most of us put on an air of new maturity. We were in *high school* at last! Although every one of us had dreams and aspirations for the future, time dealt generously with just a few of us and kindly with most of us.

We began our trek through the wilderness of our first year with class elections. We elected Patty Schwitzer our president, Sandy Hansen our vice-president, and Karen Troedel secretary-treasurer.

In October the freshmen were invited to the Freshman Party, an annual event designed to serve as a social kick-off. The Frosh had loads of fun, while several upper classmen were ordered off the premises of our party.

The homecoming game thrilled most of our class; we were pleased to see our team win as we cheered for them and for our court representative, Sandy Hansen. The big bonfire and rally the night before gave us a real thrill.

By the time December rolled around, most of us were indoctrinated into the high school routine and were anxiously awaiting the holiday reprieve. When semester exams came, a lot of us flunked English and science. We found that *work* was required to survive in high school.

Along with the work came fun in the form of the many extra-curricular activities. Dozens of freshmen participated in debate, forensics, track, swimming, basketball, football, and all the others.

There were some notable accomplishments in school work, too. We had people on the honor roll and others who won prizes in the Science Fair. Our first year was a year of good balance and of promise of still better things to come.

1966 --- We are waiting for you. We will be ready when you come!

Senate . . . Voice of the Students

SENATE OFFICERS
Kathie Staral, John Limbach, Karen Petermann.

One of the Senate's projects was a Senior Citizens' Day, including an assembly.

This year's Student Senate, ably presided over by President John Limbach, was a hub-bub of activity.

Starting its schedule at the beginning of the school year, the Senate sponsored the traditional Homecoming festivities, including the parade and dance. Continuing throughout the year, the Senate projects included: Dads' Night, Bermuda Day, the Christmas Door Decoration Contest, and the Annual Awards Day Program.

One project, never before attempted by a student organization, consisted of bringing forty senior citi-

zens from the Washington County Home to our school to look in on classes and extra-curricular activities. Various students and senators acted as guides for the guests. At an assembly program held the afternoon of their visit, the student body joined in singing carols to them. In conjunction with the YAC Council, the Senate presented the County Home with a FM radio system for its dining room.

Under the guidance of Mr. Taylor, the Senate proved itself to be truly "The Voice of the Students" in every respect.

YAC Council... Groundwork for Social Life

YAC COUNCIL OFFICERS
Vice-President John Grundahl, President Dave Scheer,
Secretary-Treasurer Pat Merriam

Ken Erickson, left, took part in a YAC Council project sponsoring a trip for our Senior Citizens to a musical show.

The Youth Activity Council really followed through on its intended purpose of serving the community during the past year. Under the able leadership of President Dave Scheer, Vice-President John Grundahl, and Secretary-Treasurer Pat Merriam, the Council planned and directed West Bend High School social activities. It also led the school in conducting various community projects. Among the highlights of the past year's agenda are included: the Summer Formal, the after-game dances, a Clash

dance, a party featuring the "Legends," the annual Midwinter Ball, "Alpine Village," a student bowling league, and various movies throughout the year.

The Council also sponsored a trip to the musical, "Pajama Game," for some of the Senior Citizens and mental patients living at our two county homes. At Christmas time, the YAC Council conducted a party for these people in the Youth Activity Center.

Twenty members from all classes comprised the Council, while Mr. Al Dearborn guided its activities.

First row --- Karen Petermann, Sandy Krieger.
Second row --- Kathie Staral, Dinny Schultz, Ray Groth, Mary Ellen Haebig, Linda Bradley.
Third row --- Mary Hess, Margo Burckhardt, Dan Stahmer, Dan LeMahieu, D. G. Opgenorth, Ron Kirkland.

Standing --- President Dave Scheer, Secretary-Treasurer Pat Merriam, Vice-President John Grundahl, Neil Palash, John Limbach, Mr. Al Dearborn, Pete McGrath, Sandy Caldwell, Barbara Kitchen, Marlene Schnepf,

The National Honor Society is, as its name implies, an honor society. It is a nation-wide organization which pay tribute to high school juniors and seniors of good character, who maintain a high scholastic average while serving and leading their school and community. It is a great privilege to be invited to join this society. The members are picked by a board of teachers who screen each student carefully.

The National Honor Society was headed this year by John Baumgartner, president; Dave Hammer, vice-president; Ann Schoenbeck, secretary; and Ann Monroe, treasurer, under the able guidance of Miss Verna Kuethe.

The results of their endeavor were seen on April 4, when 25 new members were accepted into the society. Five senior and twenty juniors were invited to join because they possessed the four desirable qualities necessary for admission --- Scholarship, Leadership, Service, and Character.

These four ideals were the central theme of the reception and were the topics of the speeches given by the officers. Mr. Ed Kitchen also gave a very interesting talk on the world of advertising and the requirements for success in business. Mr. Weiner accepted and welcomed the new members and presented them with their membership cards. After the ceremony refreshments were served to the members, families, and guests.

West Bend High School takes pride in its large membership in this fine organization, especially in regard to the two-year members.

Badger State . . . Experience in Government

BADGER GIRLS' STATE

An unforgettable experience in the lives of WBHS Badger Boys and Girls was the 1962 Badger State sessions. Sue Schneider and Ann Monroe were West Bend's representatives to the girls' sessions held on the University of Wisconsin campus in Madison last summer.

The girls spent an interesting week campaigning for offices, helping to establish local, county, and state governments, and electing officers. The most exciting event was taking over various state government functions in the State Capitol Building for an afternoon. Although the week was filled with an intense program of activities designed to acquaint the girls with government procedure, there was time for enjoyable social events and the opportunity to make new friends.

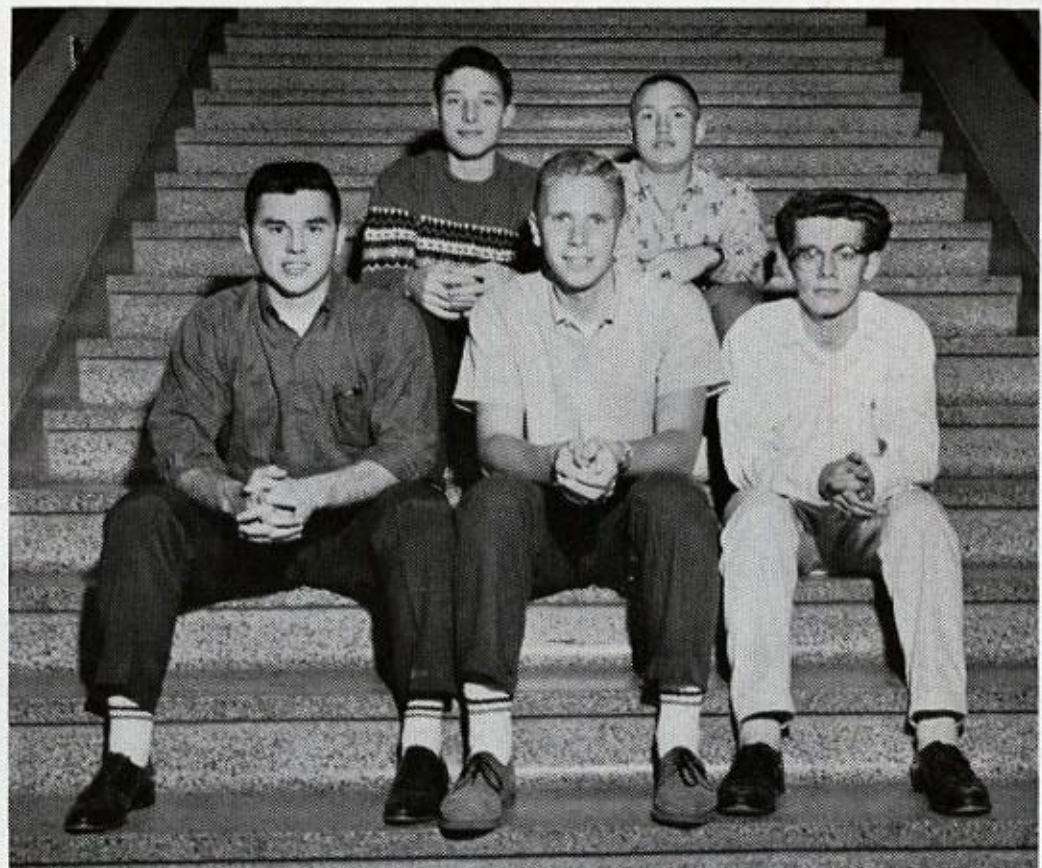

1962 Badger Girls:
Ann Monroe and Sue Schneider

BADGER BOYS' STATE

Frank Sprtel, Dave Hammer, Elliot Fauster, Walter Landvatter, Roger Sacia, and Peter Bartelt were privileged to attend the annual session of Badger Boys' State at Ripon College in 1962. The boys also spent the week learning the details of the actual functioning of our government. Each day, the boys attended sessions where they were instructed in some phase of government. The important lectures, exciting elections, and recreational periods combined to make the experience educational and rewarding.

Both Badgers Boys' and Badger Girls' State representatives will benefit from their experience in the future. They gained a practical knowledge in government procedures and a better understanding of how to be a good citizen.

Bend . . . Looks Back on Fond Memories

Completion of the 1963 BEND proved to be an exciting and rewarding event for the entire BEND staff, including our capable co-editors, Margaret Carlson, Laurie Schowalter, and Kathie Staral, as well as the regular staff members.

Producing a yearbook makes quite a demand on the time and efforts of everyone involved, but the finished product is well worth the effort. Taking pictures and mounting them, listing the various activities, writing articles, and meeting deadlines are only a few examples of the work which went on behind the closed door of Mr. Baxter's BEND room this year.

Many of the tedious details were taken care of by the competent staff members: Leigh Gieringer and Barb McHugh, art editors; Ruth Beth and Coralie Kohl, assistant editors; Bill Bauman, business manager; Dave Scheer, advertising manager; Karen Schmidt, typist; and Tim Sullivan and Roger Cross, photographers. Many other students helped, also.

We would like to express our sincere appreciation to Mr. Frederic B. Baxter, Mr. Raymond Panfil, and Mr. Wallace Benson, the advisors.

Clipper... Prints School News As It Happens

The publication of our school newspaper, the *Campus Clipper*, was under the management of co-editors, Carol Welch and Mike Lloyd. This year the bi-monthly publication had one of the largest staffs in its history with over forty reporters, copy-readers, and typists. Counseling and aiding the staff was their capable advisor, Mr. Albert Jacobson.

Work on the *Clipper* began on Monday afternoons when reporters turned in their stories. Page one, which carried the who, what, where, when, and why of school activities, occasionally had a chance to print a "scoop."

Analysis of these news stories was presented on page two in the editorial column. While the staff is just beginning its role as a critical observer, it has attempted to accurately present student opinion on WBHS policies and activities.

Features appeared on page three. Through the skilled pen of feature writers, West Bend High students were entertained with a touch of humor in the various articles presented there.

Highlights in sports appeared on page four. In order to solve the problem of old and tiresome sports news, several new columns appeared this year.

On Thursday night, headlines were made, layout was completed, and the presses began to roll.

Debate . . . Practice in Organized

Mr. Bruce Bertram
Debate Coach

On November 10, 1962, the WBHS debate team participated in its first Invitational Debate Tournament held here. The topic debated this year was "Resolved: That the United States should adopt a policy of reciprocal free trade with non-communist nations." Debate boxes once again became a common sight in the school as the debaters prepared for the coming tournaments. The hard work and research they put in before and during the season helped the team in the A, B, and C divisions to take first or second place at the majority of the tournaments. That the teams were so successful was due not only to the enthusiasm and diligent work of the debaters, but also to the work of their coach, Bruce Bertram. Mr. Bertram took particular interest in the B and C division debaters who will replace this year's varsity which consisted of four seniors, Dan LeMahieu and Ann Monroe (affirmative), and Mary Hess and Judy Kahl (negative). Many B and C debaters occasionally debated in the varsity division to give them experience needed for next year's competition.

The varsity did very well this year making it through the district with a 5-1 record. They took first place at the sectional tournament with a 6-0 record and went on to tie with two other schools for third place in the State Tournament with six wins and two losses. The tournament was held, as it has been in the past, at the University of Wisconsin with 22 schools participating. The team did extremely well at the National Forensics Tournament held at Carroll College, Waukesha. They made it through the elimination rounds, the quarter finals, the semi-finals, losing in the finals to Sheboygan South to take second place.

Two of the highlights of the year the entire team really enjoyed were being hosts to the Janesville team overnight and being reciprocated as their guests when they traveled to the Janesville Invitational Tournament.

The team is looking forward to an equally successful and enjoyable debate season next year. Examining this year's performance by underclassmen, one can surmise that it won't be anything but a worthy year.

Back row --- Mary Ustruck, Steve Frings, Mike Fisher, Gene Gosewehr, Ron Crabb, Bruce Hutson, D. G. Opgenorth, John Grundahl.

The forensic season this year began in early October when selections were chosen and coaches assigned to participants.

The first two meets of the season were practice tournaments held at West Bend. On March 16, West Bend hosted another practice tournament.

Regular competition began on March 23 with the Little Ten Contest held at Hartford. The following made up the West Bend varsity squad: Janice Shallow, Karla Kuss, Cappy Pick, Barb Braun, Peggy Sachse, Linda Sacia, Sue Schiller, Bruce Hutson, Kay Strohacker, Margo Burckardt, Joyce Goeden, Judy Nielsen, Bob Schmidt, Sylvia Retksten, Steve Frings, Mike Fisher, John Grundahl, Myron Martin, and D. G. Opgenorth. Of these, nine qualified for the district.

On March 29 and 30, fourteen students and two coaches attended the Forensic Tournament at Campion Jesuit High School in Prairie du Chien. West Bend placed third and Peggy Sachse received a second place award in oratory.

The district tournament was held at Brookfield on April 6. Nine students from West Bend attended, three of whom qualified for the state contest, namely Margo Burckardt, Barb Braun, and Sue Schiller. Congratulations to these girls.

Much credit also goes to Mr. Raymond Urbas, director of the forensics program, and his assistant coaches for making this season a success.

Labs . . . Modern Aids to Education

The Development Reading Laboratory is one of many outstanding features at West Bend High School. Installed in 1961, the "lab" has been successfully serving West Bend High students for two years. Directing the lab is Mrs. Marjorie Dummett.

The purpose of the lab is to help students to learn proper reading skills, to attain efficiency, and to acquire a healthy interest in reading.

Mrs. Dummett uses various methods in training her reading lab students. The work, centered around the Shadowscope Reading Pacers, is supplemented by Iowa Reading Films and the Controlled Reader.

Reports from people reaping the benefits of the developmental reading program have given West Bend High reason to be proud of its reading "lab."

The West Bend High School Language Lab, in its second year of operation, has proved to be of value to both teacher and student.

To the language teacher, it is a means of giving personal attention to each pupil and serves as an indicator of individual progress. It also provides each student with the opportunity of hearing native speakers enunciating properly.

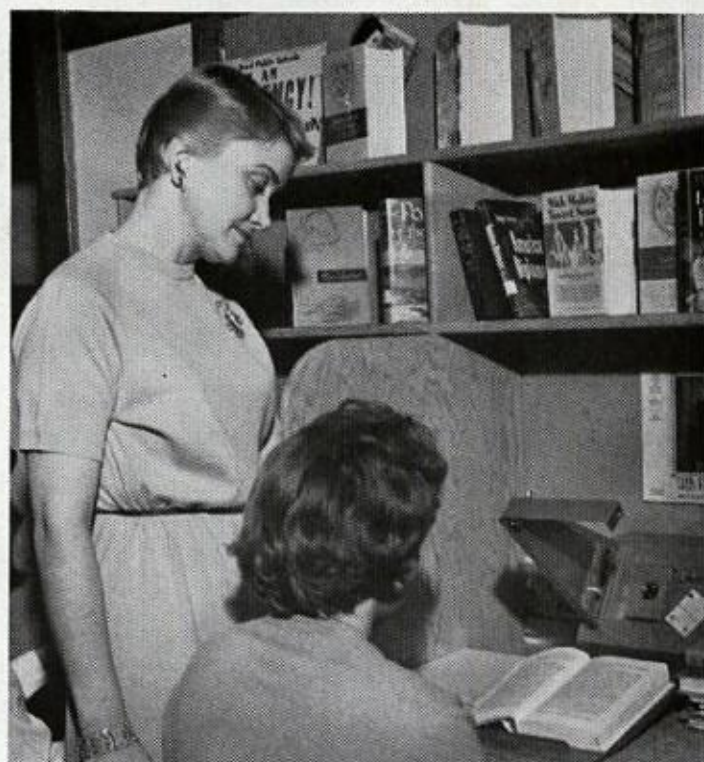

To the student, it is an audio-oral means of perfecting his linguistic skills.

Consisting of a master control booth and individual booths, this lab is truly a distinctive feature of our school.

Miss Long demonstrates the use of the language lab.

Mrs. Dummett aids students with the use of the Shadowscope.

Miss Maria Rojas

Hueridos amigos norteamericanos,

Because this is a little letter that will always be in your Bend, I want to tell you a little what my heart feels for you.

I want to thank you very much for all the things you've done for me.

First of all, I want to say that during my stay in West Bend, I was very happy.

I liked the school very much and the teachers and students were very friendly. They made me feel at home.

When I came to West Bend, I didn't speak any English and I didn't understand it very much. You students helped me in class and at other activities, and I want to thank you for that. Especially, I want to thank you for the telephone call to my family in Costa Rica, at Christmas time.

In time, I may forget some of your names, but I will never forget your faces. I will always remember you as good friends.

I'll never forget this wonderful experience that I had here, and when I'm in Costa Rica I will tell the people of Costa Rica all about life in the United States.

I hope to come back to this country shortly, and maybe then I can see you again. But now I must say goodbye and hope that you will remember me. Again I say "*Adios y muchas gracias.*"

MARIA ISABELLE ROJAS

Mr. and Mrs. Fred Lange and daughter, Mary Ann, were Maria's hosts for the year.

While in Argentina, Mary Hess was the guest of the Hominal family.

Opportunity in International Relations

This year, our exchange student was a representative from the Republic of Costa Rica, Miss Maria Isabelle Rojas. West Bend High, in turn, was represented last summer by Miss Mary Hess who lived in Esperanza, Argentina at the home of Hose Hominal.

The hub of the American Field Service program here is the AFS Club. The major purpose of the club is to raise funds to support the AFS program, and the main fund raising event was AFS Day. At this time we were visited by seven exchange students from surrounding area schools who joined with our own Maria in speaking in various classes and in presenting the student body with a program which featured the songs, dances, and costumes of their native countries. After the program, the exchange students were guests at a pot luck supper in the YAC. The supper was followed by a dance, climaxing a successful day.

At Christmas, the student body presented Maria her gift---a phone call to her parents in Costa Rica. This call was made possible for Maria by individual student contributions before Christmas.

In spring, the AFS Club also sponsored a Bermuda Day, bringing to a close another successful year.

Under Mr. Bleick's able direction, the band was busy all year. Throughout the day, the band room was a place of purposeful activity. During the first period, the entire band practiced as a unit. Continuing throughout the day were individual practice sessions. Diligent and earnest effort marked all music sessions in the band room.

Results of these practice sessions were evident for the first time at the football games. During the half-time, the band's precision marching and quality musicianship made it one of the most envied bands. In this same respect, it played before and during half-time intermissions at basketball games. Breaking away from the stereotyped, traditional band music, our musical aggregation delighted listeners by playing current tunes and old favorites. Some of their selections included, "Wonderland by Night," "Limbo Rock," and other popular hits. The dance band, also, performed at school dances.

Our school can be rightfully proud of its band. Without doubt, it proved itself to be one of the best ever.

Talent in Harmonizing

A New England setting was transplanted in West Bend March 22 and 23 when the lights dimmed and the curtain opened on the Choral Department's operetta, "Carousel." This touching and beautiful production was staged under the direction of Sam Cupery, Norland Benson, and Charles Nicholas.

Jigger Craigin (Chris Anderson), a worthless sailor, persuades Billy Bigelow (Mike Naumann) that the best way to get money for Billy's wife Julie (Ann Monroe) and their unborn child is to steal it from Mr. Bascomb (John Grundahl). During the course of the robbery, Billy is killed when he falls on his knife and leaves Julie widowed and penniless. After he is taken up to Heaven by the Heavenly Friend (Bruce Hutson) and confronted by the Starkeeper (Gary Barber), Billy chooses to come back to earth to help

his daughter Louise (Mary Ellen Kirsch) who is now fifteen and who is confronted with the same type of problems he faced.

Julie's best friend, Carrie Pipperidge (Diane Cupery), finally becomes the wife of Enoch Snow (Neil Palash) after many hilarious interludes, and the two of them with the nine little Snows get rich on Snow's Sardine Canneries.

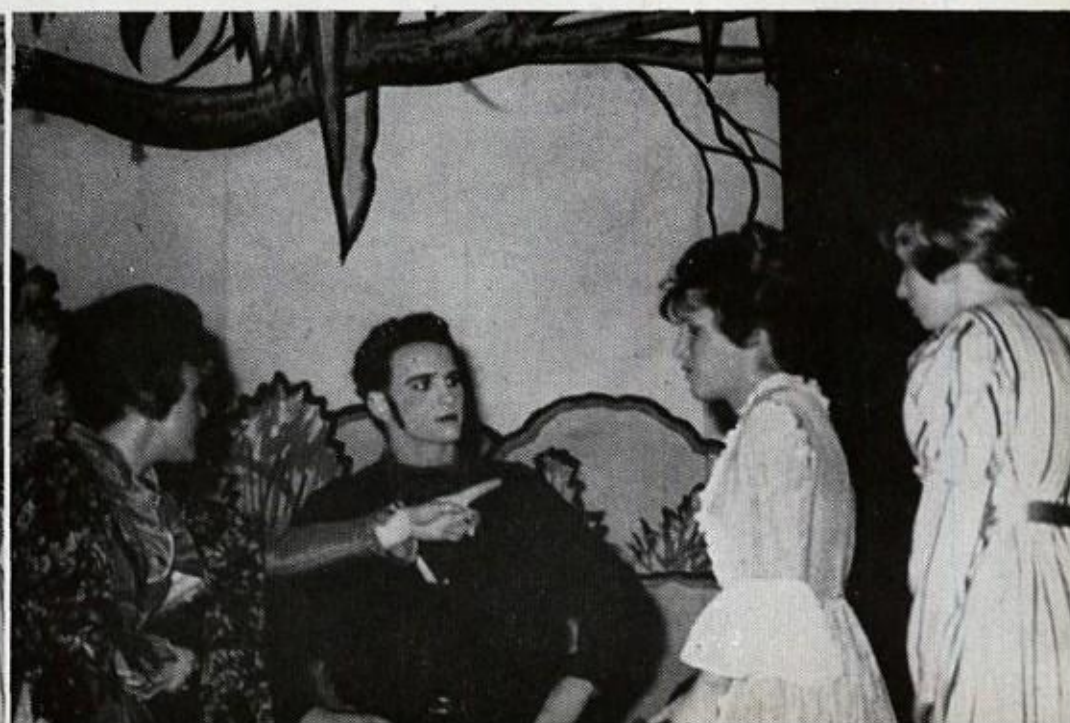

This operetta contained many favorite songs. The beautiful "If I Loved You," the vibrant "June Is Busting Out All Over," and the touching "You'll Never Walk Alone," are only a few.

A chorus of fifty, plus excellent dancers, rounded out the cast of an operetta considered one of the best given at West Bend High School, Rogers and Hammerstein's "Carousel."

Jigger demonstrates a fireman's carry on Carrie.

Peggy Sachse performed gracefully at the carnival.

Members of the cast of "See How They Run" included, left to right, Prudy Pick, Tim Sullivan, Eileen Wiedmeyer, Mark Finch, and Mike Lloyd.

Lower --- Barb Braun, left, and Priscilla Swift apply make-up on Sue Dyken and Lon Piper.

Bottom --- The Bishop, left, tries to explain things to Penelope, the Vicar's wife, Clive, the soldier, and Rev. Toop, played by Mike Fisher.

Have you ever seen an English vicar run around in his underwear? If so, you probably saw the Drama Club's presentation of "See How They Run," directed by Mr. Ray Urbas, last fall.

Many hilarious events were touched off when the Rev. Lionel Toop left for a concert in a nearby town, unaware that an old soldier friend of his wife's would show up to wear one of his suits and thereby have no restrictions during his leave. Rev. Toop returns, finding only an old maid, Miss Skillon, drugged and in an impossible state. At this time, an escaped convict enters, clubs Rev. Toop, and drags him to the rector's garden.

A bishop and his assistant arrive that evening. Mass confusion is created as an undressed vicar, a bishop in his pajamas, a visiting cleric, a soldier in a vicar's suit, and an escaped convict, also in a vicar's suit, chase each other around Rev. Toop's once peaceful home.

Surprisingly, the convict is captured by a sergeant, who, after questioning all the suspects, almost loses his mind. After considerable explanation on the part of the vicar's wife and her soldier-friend, all is cleared except the reputation of Miss Skillon, who had never stepped out of place in all her years as gossip-hound of the village.

Presentations Delight Audiences

"Blithe Spirit"

Charles, played by Pete McGrath, tries to convince Ruth, played by Pam Dunlop, that Elvira, played by Kathie Staral, is present.

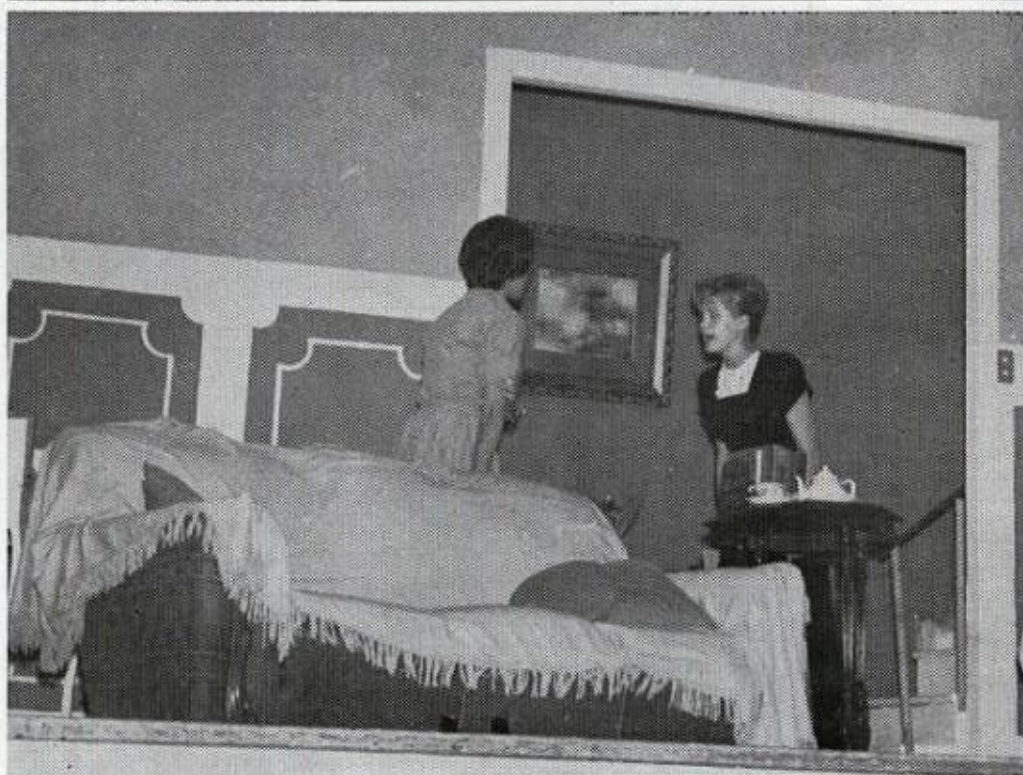

Lower --- Ticket sales were boosted by, left to right, Jenny Holl, Kathy Schnepf, Mary Lu Hoelz, and Donna Chapman.

Bottom --- Ruth and Madame Arcati, played by Judy Rossa, have a slight disagreement over the seance.

The frolicking antics of a ghost returned to earth were presented in Noel Coward's play, "Blithe Spirit," on February 24 and 25 under the capable direction of Mr. Norland Benson.

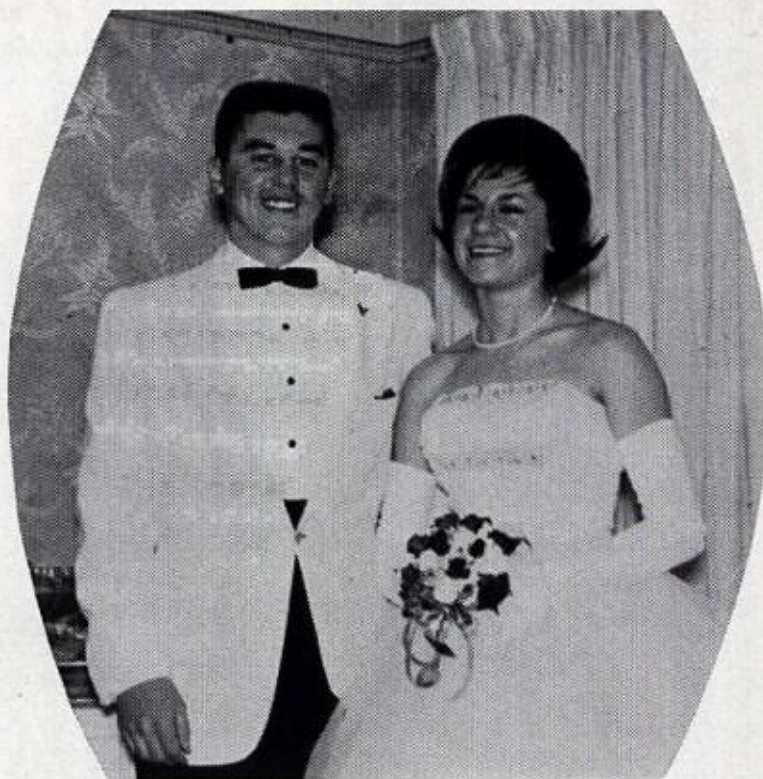

The play begins with author Charles Condomine, played by Pete McGrath, deciding to get material for a new mystery novel by conducting a seance. Present at this seance are his wife, Ruth, Dr. Bradman, Mrs. Bradman, and he. Conducting this mysterious contacting of the other world is spiritualist Madame Arcati.

The confusion begins when Charles' first wife, Elvira, now deceased, appears on the scene. Visible only to her husband, she causes him much misery and consternation. Elvira attempts to kill Charles in order to take him back to the other world with her. Her homicidal methods include waxing stairs, weakening steps on his ladder, and tampering with the Condomine car. Her attempts are foiled when Ruth, instead of Charles, takes the car and is the victim of Elvira's deviltry. Both Ruth and Elvira come back to haunt Charles then, but Madame Arcati sends them back to the spirit-world with the assistance of Edith, the maid. Charles is none too upset by their parting, and his last words, "Parting is such sweet sorrow," expressed in sarcasm, show his true feeling.

1962 Junior Prom . . . Memories

PROM ROYALTY

King Frank and Queen Laurie

"Ebb Tide" --- the call of the sea beckoned the 1962 Prom-goer. An underwater fantasy highlighted by Neptune's deep sea castle was revealed through the romantic mist.

As you entered, you were greeted by two underwater goddesses and directed through the coral reef guarding our deep sea paradise.

Along the entire left side extended a mural depicting underwater life --- everything from a giant octopus to a sunken frigate. The billowy waves added to the effect. Sunken pirate treasure, nets cast to the seas, and tropical fish lazily swimming, contributed to the atmosphere.

In the midst of her kingdom, lovely Queen Laurie Schowalter reigned with King Frank Sprtel. Their court was introduced during a unique grand march in which everyone participated.

The music of Wally Beau added to the atmosphere of our blue-green paradise.

Refreshments were served in the shanty by the sea complete with shells, sand nets, and delicious punch and cookies.

Even though the tide has receded on the 1962 Prom, memories continue to live in the hearts of everyone who attended a truly memorable occasion.

Homecoming, 1962 . . . Can anyone forget how much we looked forward to this exciting weekend?

For weeks in advance, homeroom students could be seen everywhere constructing clever floats. Observers at the parade on Thursday, September 27, viewed a spectacle of 44 floats, in which Mr. Weier's homeroom finally captured first place with the slogan, "We'll Badger the Beavers." Copping second-place honors was Mr. Panfil's homeroom with a huge Badger portraying "Survival of the Fittest."

The pep assembly, held after the parade, was emceed by John Limbach, Student Body President. That school spirit reigned supreme could be seen and heard as students cheered louder than ever. The climax of the evening came when Ron Kirkland, Homecoming game captain, placed the crown upon the head of Marlene Haen, senior class candidate. Ron also had the honor of lighting the giant bonfire.

Highlights

Left --- King Ron and Queen Marlene lead the Grand March.

Right --- Varsity players and dates participated in the Grand March.

Friday night, West Bend took on Watertown and easily pulled away to a 14-7 victory. Backing the team on to victory was a large and an enthusiastic crowd.

The gym, scene of the dance after the game, was gaily decorated to comply with the theme, "Indian Summer." Orange pumpkins, yellow corn stalks, and green, orange, and brown streamers all added to the gay atmosphere of the dance.

At 10:30, Marlene and Ron led the Grand March. Following them were the Varsity football players and their dates. Later on, all danced again to the music of the "Corvairs." At 12:00, the weekend was brought to a close. Now the excitement was over, but the memories lingered on.

Never again will there be a week-end quite like that of Homecoming, 1962!

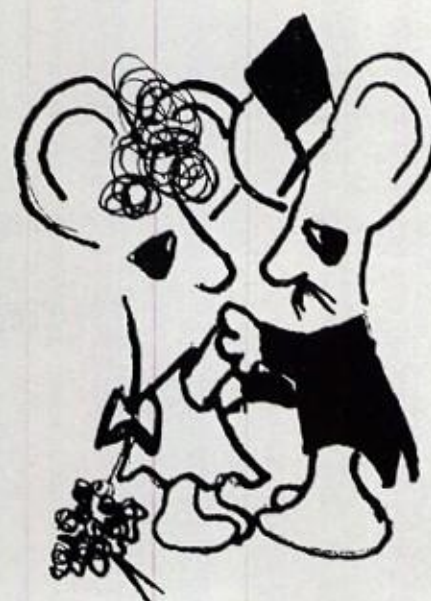

Raccoon-clad John Limbach sparked the Pep Rally.

Midwinter...Dancing in a Winter Wonderland

The holiday atmosphere was enjoyed by Eileen Wiedmeyer, Bruce Hutson, Dave Clark, and Maria Rojas.

"Alpine Village" was the theme of our annual Midwinter Ball, sponsored by the YAC Council on December 27, 1962. Those who attended will always remember how completely the YAC was transformed into a magnificent winter wonderland. In the center of the room, a huge Christmas tree glistened in full splendor. Other trees scattered about the room put everyone in the holiday mood with their pungent, fresh-pine odor. While dancing to the music of the "Top Hatters," those who attended could look out the windows to see beautiful scenes of snow-covered

mountains, cozy chalets nestled in the snow, and groves of pine trees. A huge stone fireplace added a warm glow to the wintry atmosphere. Traditional holiday cookies, uniquely decorated and delicious, and "spicy" hot apple cider were served throughout the memorable evening.

All this, combined with the happiness and warmth of the Christmas season, made for a most wonderful evening, which will long be remembered by all who attended. It was truly an affair which will not soon be forgotten.

Those attending "Alpine Village" included Chris Anderson, Mary Ann Lange, John Bradley, and Sandie Krieger.

A huge stone fireplace was the creation of Sandie Krieger and other members of the YAC Council.

Dances . . . Socializing Under Supervision

Besides the formal dances such as the Homecoming, Midwinter Ball, Junior Prom, and May Ball, which have been traditional at West Bend High School, informal dances are also held quite often.

Following home football and basketball games, students could look forward to spending an evening twisting, waltzing, or even polkaing in the YAC. Or, if dancing is not one of their favorite activities, they could spend an evening chatting with other students whom they do not see during the course of the regular school day.

Usually, the students attending these dances number close to the five hundred mark, which is a very good turnout considering the many

other activities going on about town simultaneously.

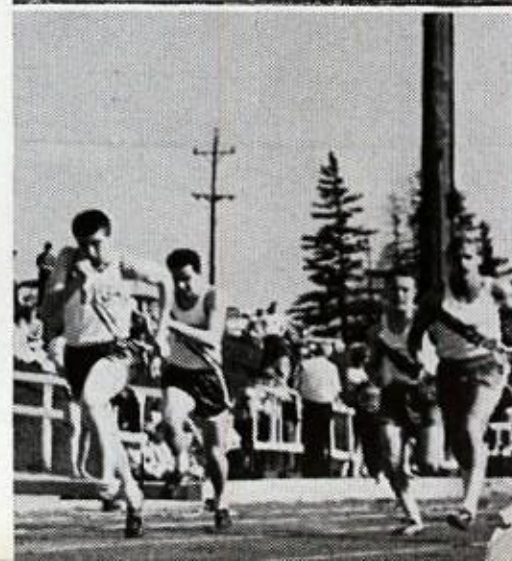

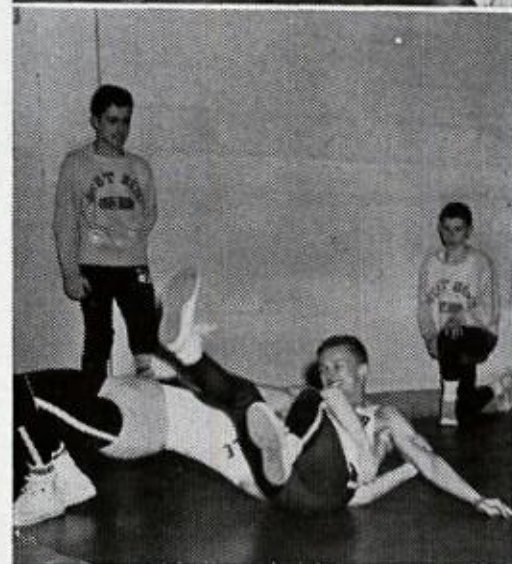

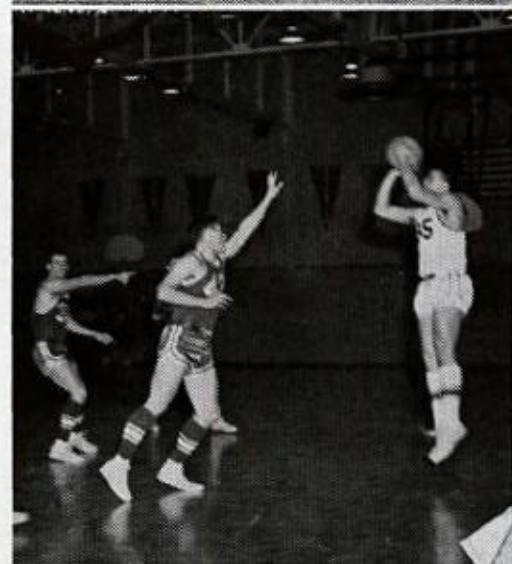

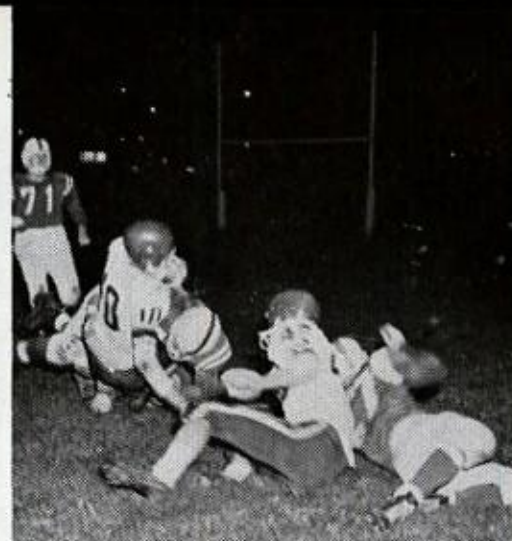

One of the most exciting aspects of a school dance is the prospect of the appearance of a well-known band. We were exceptionally fortunate this year in that West Bend High School hosted three of the area's big name bands, Milwaukee's fabulous "Legends," "The Trojans," and "The Blue Echoes," who filled many an engagement at our dances.

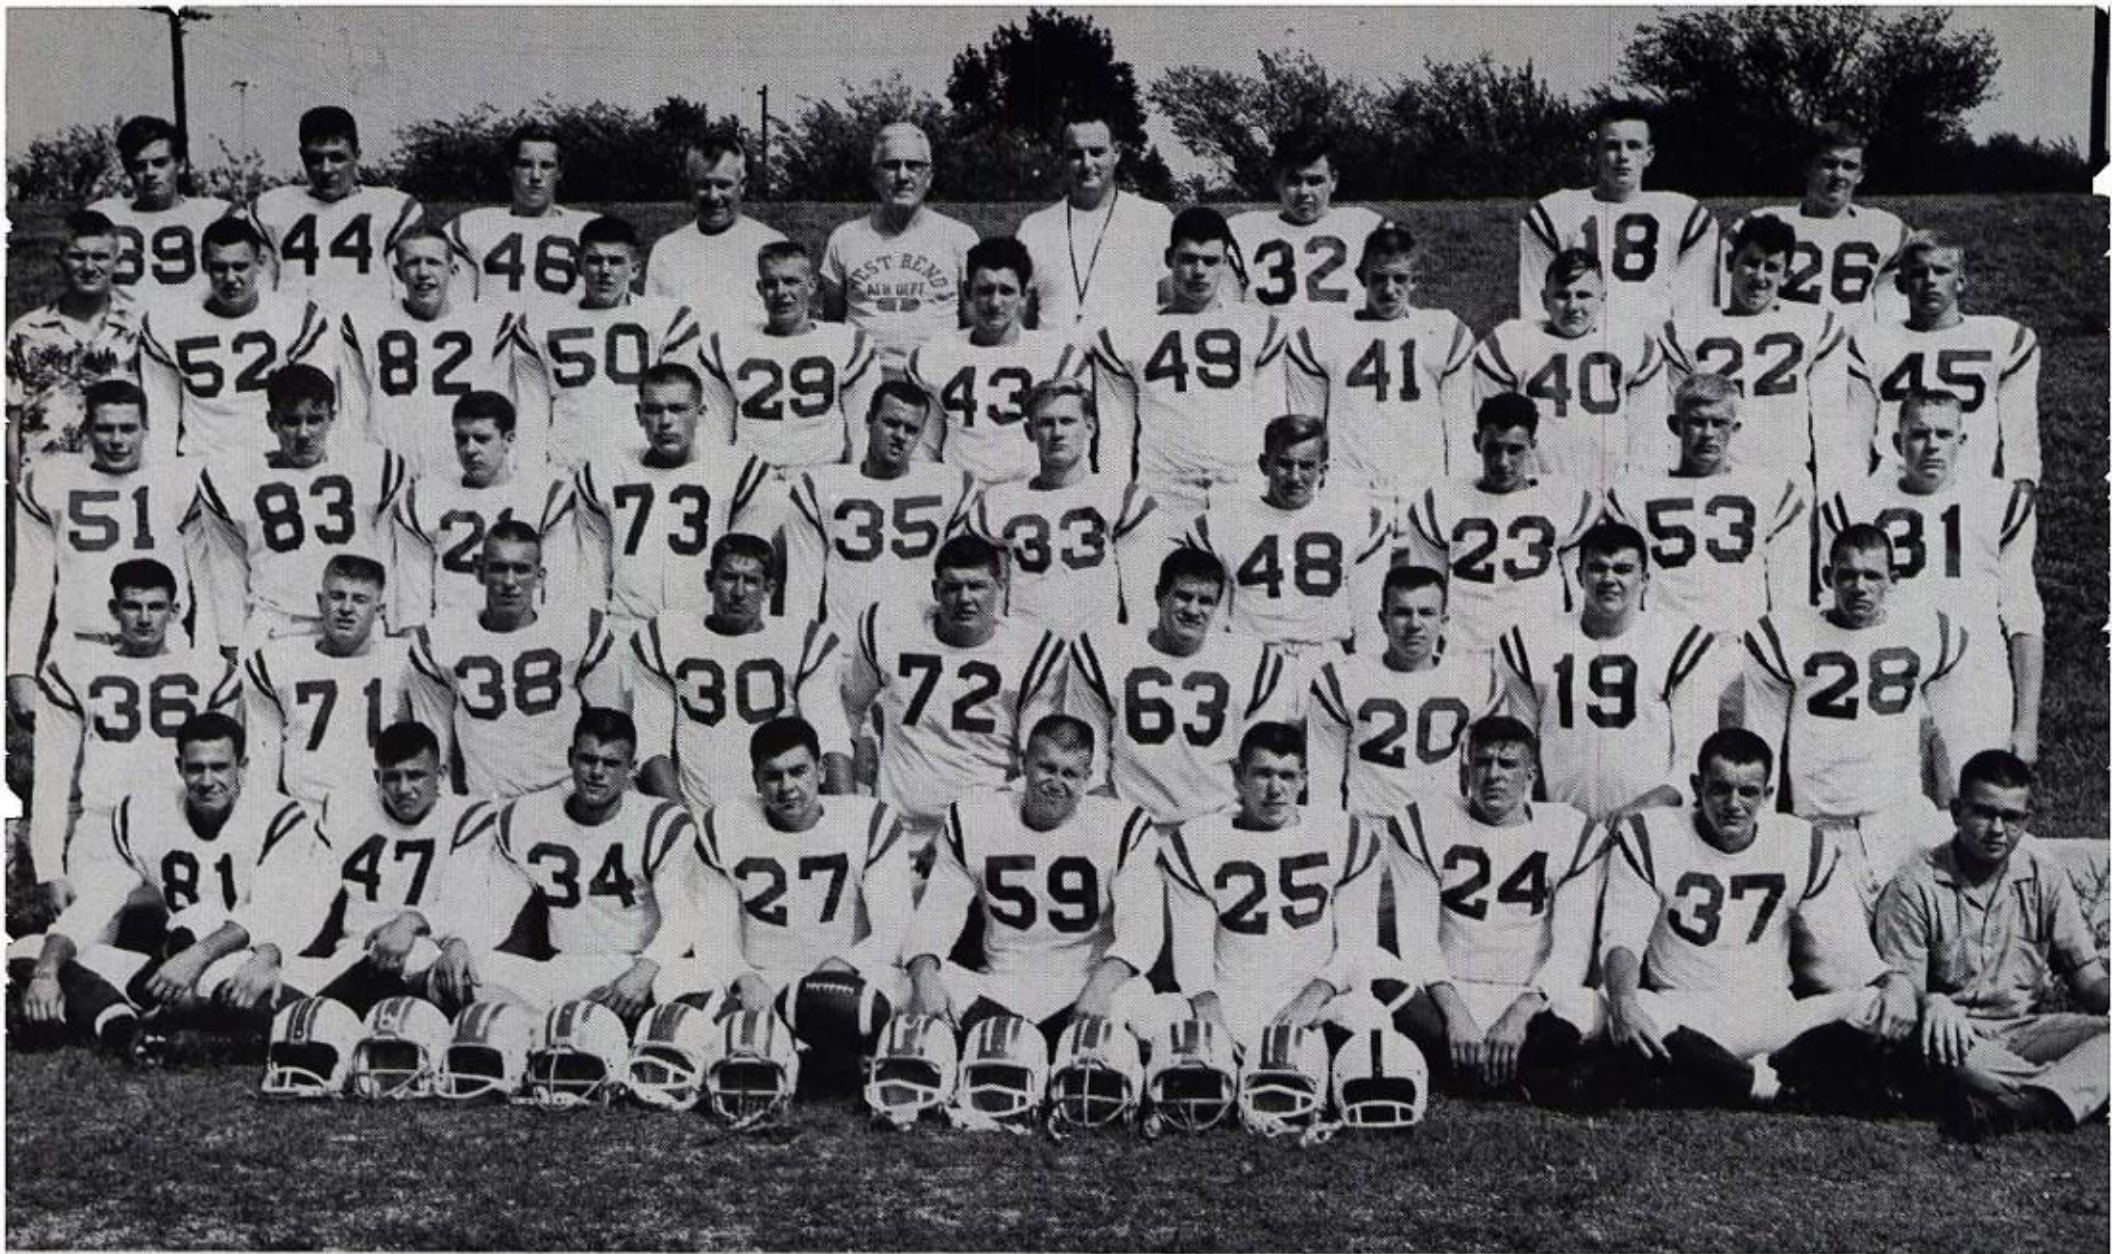

Dancing is for fun, for getting to know others, and for using up calories. Whichever of these reasons you preferred, you were certainly able to find it during the past year at West Bend High School.

Athletics

Undefeated Badgers

The West Bend varsity gridders completed their first undefeated eight-game season and won their second straight Little Ten Championship in 1962. As a result of their undefeated record, the Badgers were ranked as the eighth best team in the state at the end of the football season.

The undefeated record of Coach Warren Bowlus' Badgers was due to a high-powered offense and a "hard-nosed" defense which allowed very few points. The statistics bear out the efficiency of the offense and defense. The Badgers racked up 257 points while at the same time allowing a total of only 12 points. As striking evidence of the effectiveness of the West Bend defense, eight opponents were only able to aggregate a combined total of 177 yards on the ground. In contrast to this, the prolific Badger offense rolled up 2,023 yards themselves.

Depth and talent contributed greatly to the success of the Badgers. Outstanding for West Bend was halfback Ron Kirkland who broke two existing records for a single season, scoring (111 points) and career scoring (283 points). Ron gained 903 yards rushing for a 6.54 yard average. Ron was so good that he was picked on the All-State High School football team, the

first player in West Bend High ever to receive such a great honor.

Ably abetting Kirkland on offense were fullback John Limbach and quarterback Butch Buddenhagen. Flankers Mike Naumann and John Punzenberger were two fine pass receivers in West Bend's pro-type offense. Sharp blocking by Dick Volkert, Phil Roos, Dave Clark, John Grundahl, Dave Roell, and Ed Placek kept the offense moving smoothly.

On defense, Rick Ginocchio came up with 49 tackles to lead the team, and defense halfback Bob Koehler made 4 interceptions. Other defensive specialists were Frank Sptel, Chris Anderson, John Kitchen, Ron Spaeth, Bob Groth, and Bob Ginocchio.

Ron Kirkland was honored by his teammates when they voted him two top honors, honorary team captain and, for the third straight year, most valuable player on the team. Dave Roell, three-year letterman, and Ron Spaeth were selected as best blocker and most improved player, respectively.

The Badgers kicked off the season by knocking off highly regarded Port Washington and regained the traditional Green Bulldog trophy. Then West Bend notched successive wins over Arrowhead, Ber-

A special ceremony during the half of the Oconomowoc game honored Coach Jack Runkel for 44 years in football. Coach Runkel retired after the season, and the game was certainly a fitting climax to his coaching career.

Congratulations should be extended to Coach Bowlus and his very fine staff. The coaches and the players are looking forward to another highly successful season next year.

Coach Runkel . . . Moments of Anxiety . . .

With Special Thanks . . .

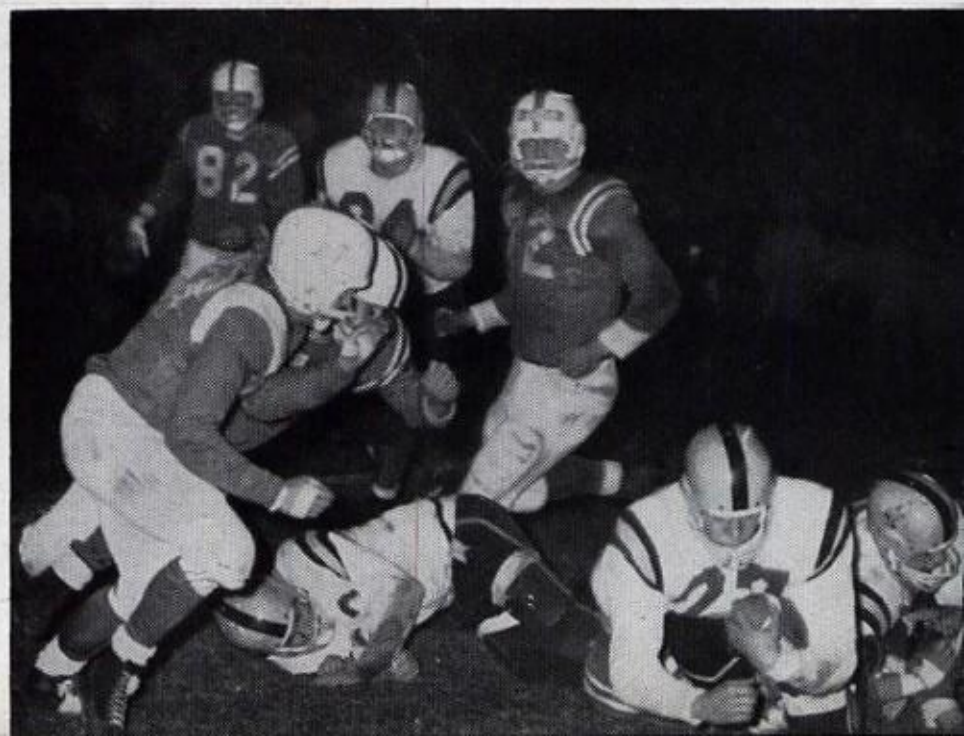

A truly memorable 30-year career as both player and coach came to a close for Mr. Jack Runkel with the playing of the final game of the 1962 season against Cooney. Ideally, a coach must know not only the sport and be able to teach others how to play it, but he should also be able to inspire the boys under him to aspire to a more rewarding and wholesome life. Coach Runkel possessed such qualities. Spectators and athletic supporters acknowledge games won or lost, but the greatest tribute to a coach must come from his players. This tribute can be seen as the boys carry him off the field. Coach Runkel's love for the sport can be seen in the smile on his face.

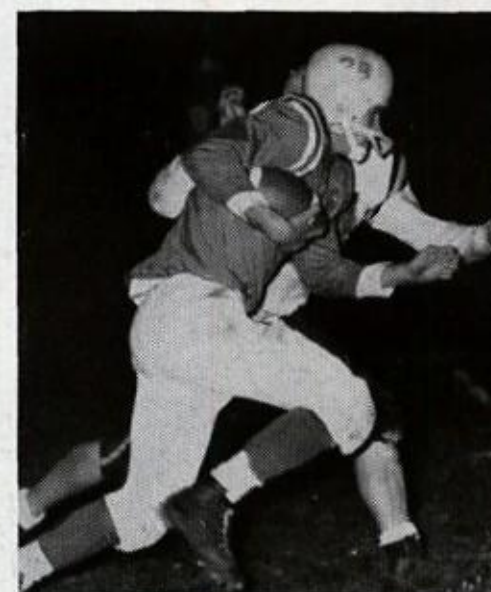

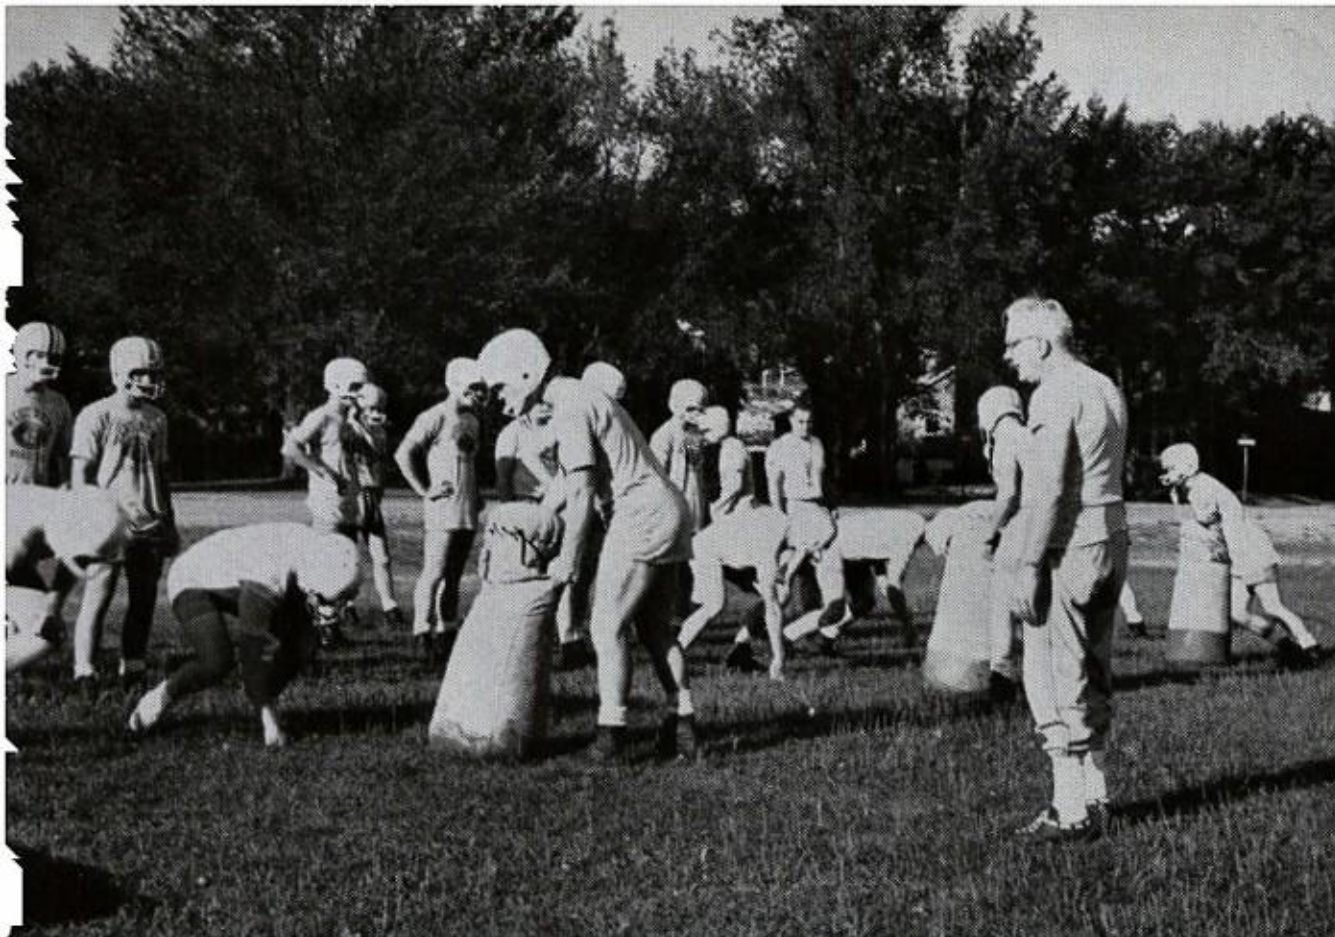

Then . . . Victory!

Cheerleaders and Students . .

The performance of any athletic team is influenced greatly by the degree of school spirit shown by the fans. Vital to the action of a team is an audience which supports it with optimism and enthusiasm. The West Bend High School student body demonstrated both of these qualities as attendance at all games was record-high and everyone cheered loudly. This held true at wrestling and swimming meets as well as at the regular football and basketball games.

An outlet for the crowd's enthusiasm was provided for by our cheerleaders who led snappy cheers with pep and vigor, not only during moments of victory, but also during those of defeat. Pre-game spirit was kindled at the pep-assemblies where the varsity cheerleaders introduced new cheers, held intra-class cheering contests, and acted out skits. Some of their best skits were these: "Twas The Night Before Christmas," "Three Plus Two," and "A Mock Wedding." Divided into three

groups, the cheerleaders were supervised by Miss Evelyn Ogren while Diane Simons had the honor of acting as Varsity Cheerleading Captain.

School spirit was further enhanced by the formation of a new group, the Pom-Pom Girls. Practicing long hours, these girls composed clever dance routines which lent diversion to spectators during half-time. Their routines included, "Charleston," "Jingle Bell Rock," and "Gonna Knock On Your Door." Divided

into two groups, seniors and juniors, these girls displayed ability and talent. Miss Barbara Henrickson ably advised these girls and was assisted by the two team captains, Laurie Schowalter and Cheryl Fischer.

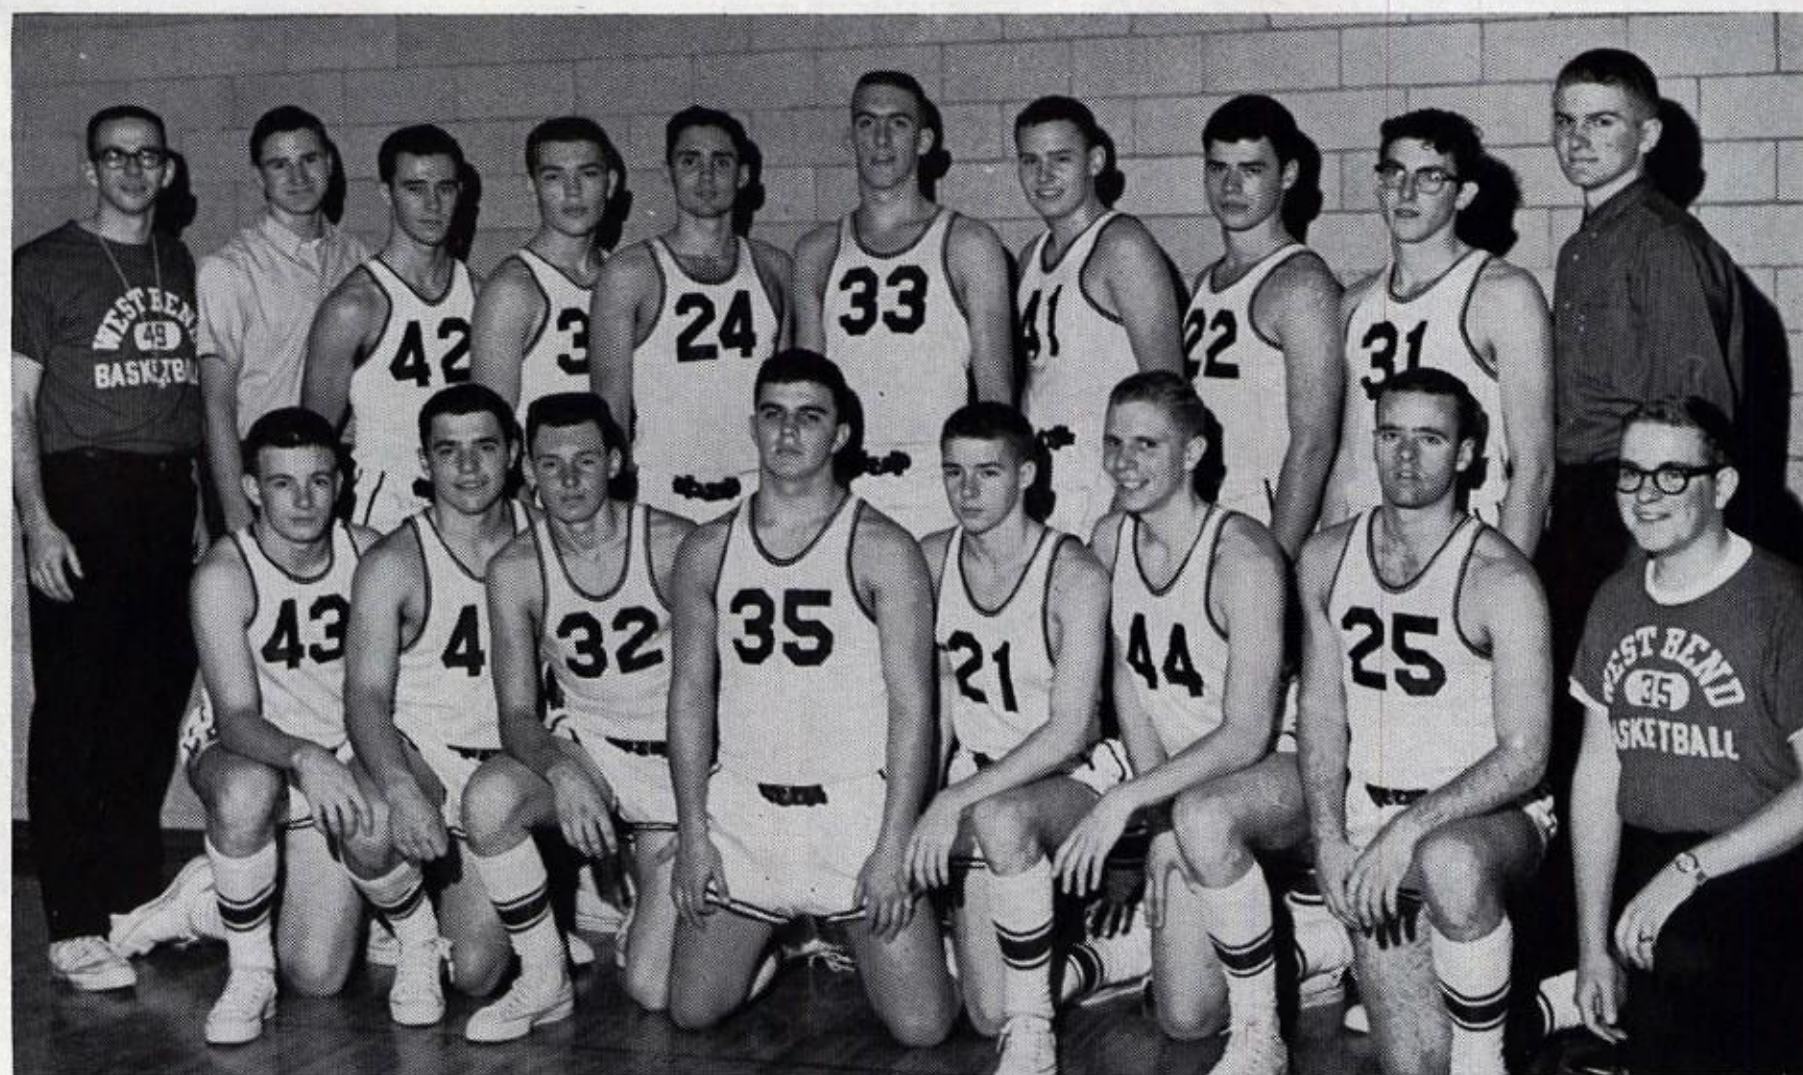

All of these groups, acting together, provided, without doubt, an incentive to the West Bend players to strive for victory. The teams' gratitude was best seen as they accumulated victory after victory in almost every event.

The basketball team, under the guidance of Coach Rollo Taylor, compiled an equal record of seven wins and seven losses in conference play and nine wins and nine losses overall.

Contrary to basketball teams in the past, there were no outstanding players but a well-rounded nucleus of seven or eight players, all of whom played a great deal. Butch Buddenhagen, Ken Erickson, and

Players silently watch their fellow team-mates as tension mounts during a game.

Right --- Bruce Caldwell scores a basket in the West Bend-Watertown contest.

Second in Regional Tournaments

Bruce Caldwell usually started while Rick Ginocchio, Duane Enderle, Mike Engelbrecht, and Dave Hammer ably filled the breach at the remaining starting positions.

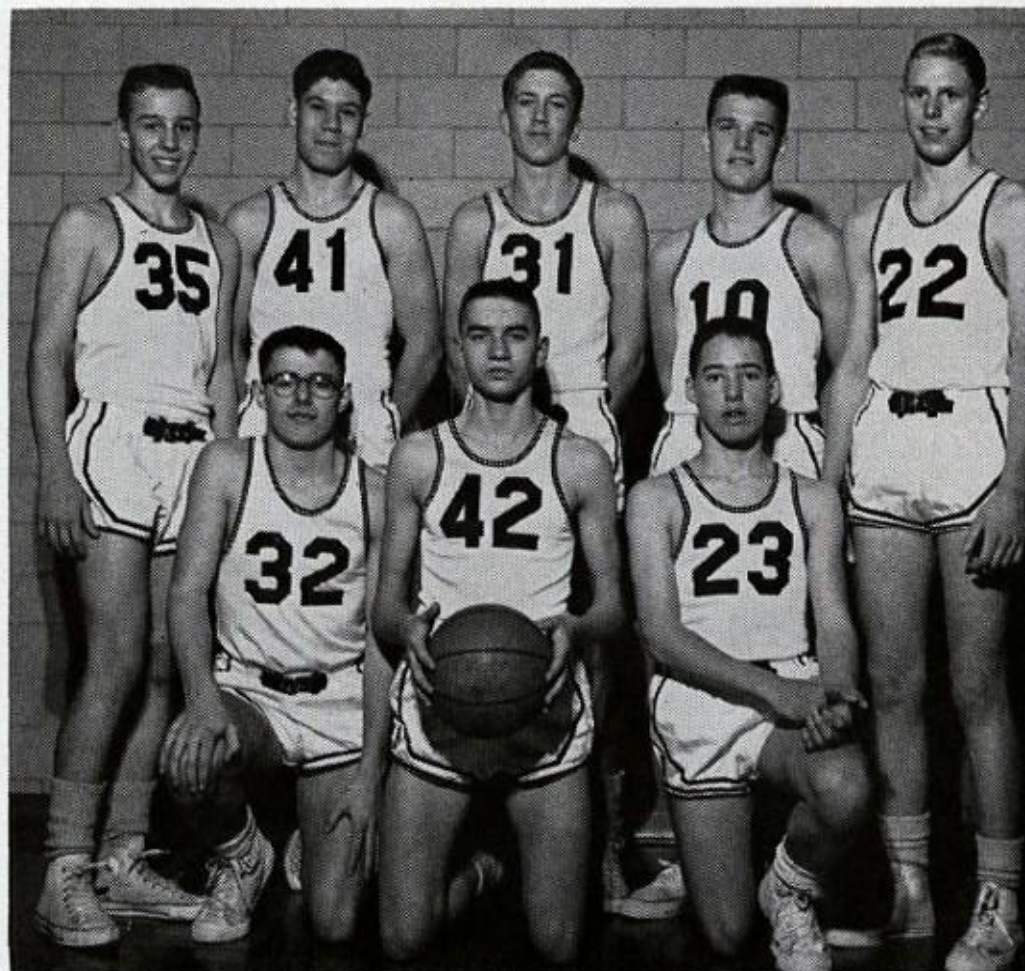

The Badgers relied on their hot "streak" shooting, both from the court and free-throw line, to carry them to their victories. Although the fast break and full court press were not used as extensively as in the past, they helped to surprise opponents when executed.

After starting off their season with a non-conference loss to Oshkosh, the Badgers swept their first two conference games with Berlin and Hartford only to lose the next two to Beaver Dam and Oconomowoc, each by only three points. Perhaps the most satisfying victory came in the second game with Arrowhead when the Badgers beat them by an eleven point margin, revenging a twenty point defeat earlier in the season.

Tournament play at Hartford saw West Bend defeat Arrowhead and then lose to Menomonee Falls in the championship. For the third straight year, West Bend captured second place in the regionals.

Butch Buddenhagen was voted honorary captain and also shared most valuable player honors with Ken Erickson. Erickson and Rick Ginocchio were named as the most improved players. Ginocchio was chosen as the most promising newcomer on the team.

Despite heavy graduation losses to the varsity, Coach Taylor has a number of very capable underclassmen and looks forward to a successful year in 1963-64.

The West Bend High School swim team, in its first year under Coach Terry Warner, turned in a fine season record, highlighted by outstanding individual performances and a fourth-place finish in the State Meet. Coach Warner's swimmers racked up a 7-4 dual

meet record and performed excellently in invitational meets. The team took a very impressive first in the Menomonee Falls Invitational, a second at Delavan-Darien, and a third at the North Shore Invitational, all important meets.

Excellent Year by Placing 4th in State

The fine showings of the team were indicative of the hard work and effort put forth by the boys this year. Depth and speed were the keys to Badger successes as was borne out by the fact that eight school records were broken in eight different events. One of the boys who certainly had speed in abundance was Tom Olson, who splashed to a school record of 1:03.8 in the breaststroke and also swam on the record-breaking medley team. Free-stylers Bob Lass, Chet Nielsen, Tom Hetland, and John Baumgartner got together to set a record of 1:41.6 in the 200-yard free-style relay. Lass also swam on the medley team, and Nielsen set a 40-yard free-style mark of 20.4. Bob Calhoun had his finest year in swimming, setting a new school mark of 1:05.3 in the backstroke and also swimming on the medley team. Sophomore Wally Weiss performed excellently in the 100-yard butterfly all year long, setting a school record of 1:07.7 in that event. Abetting these record breakers were divers Tom Rice and Steve Pischke, who greatly aided the team by picking up points in their own specialty, and Ron Crabb, Carl Pick, John Meyer, and others who swam consistently well.

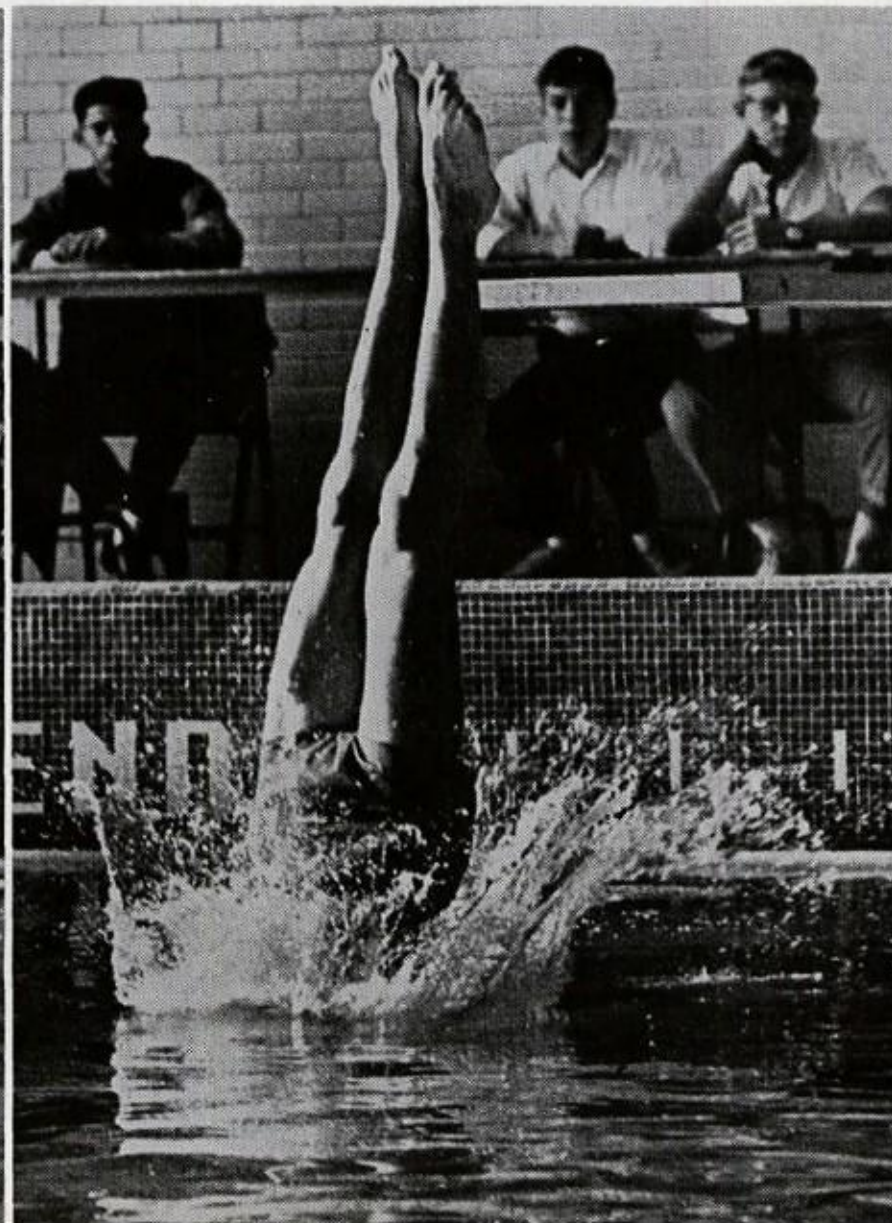

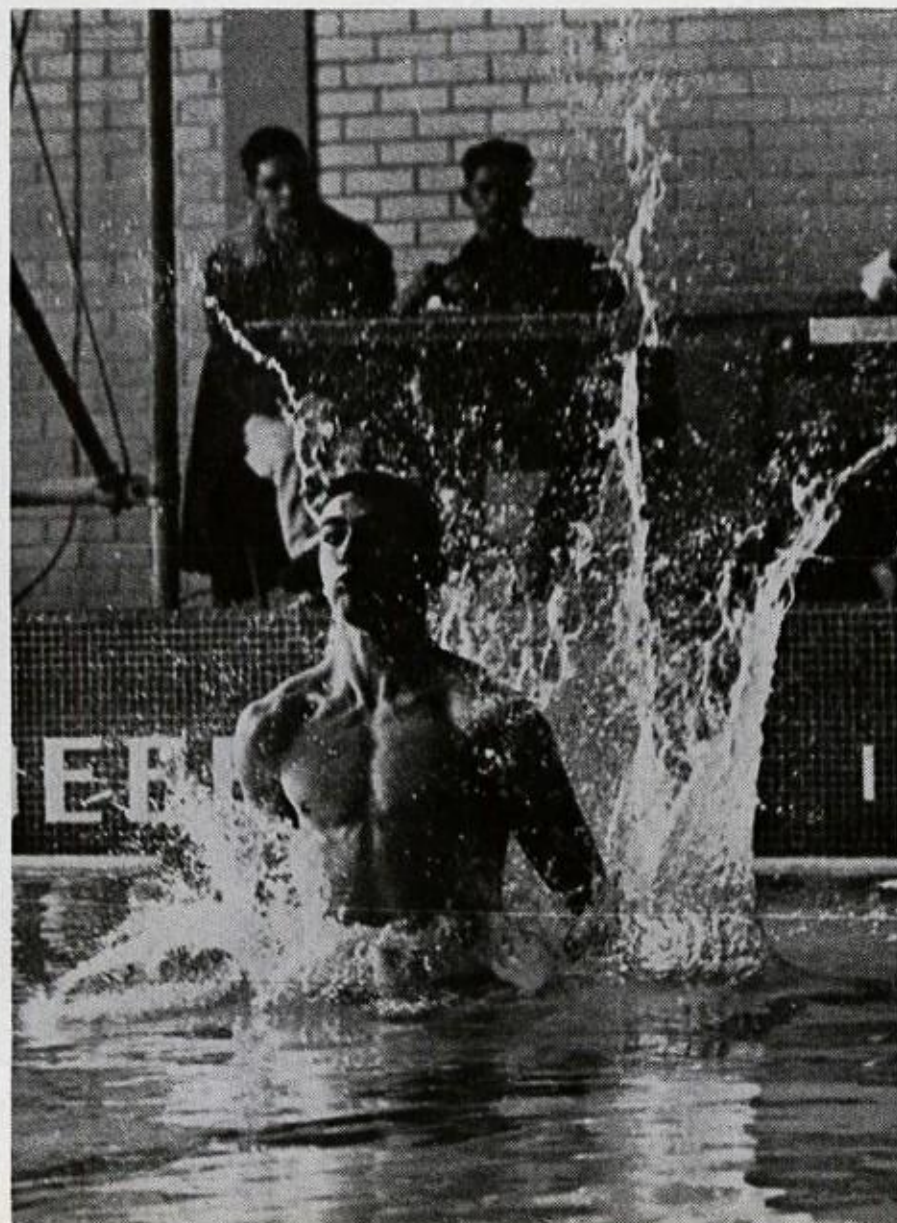

The proudest part of this year's season was West Bend's high finish in the state meet. Prior to this meet, West Bend had been ranked about eighth in swimming in the state and therefore was determined

to show it was under-rated. West Bend did too, scoring 21 points for fourth place in the meet and setting one state record. The record was set by Tom Olson who took first place in the breaststroke with a time of 1:04.3. The medley-relay team of Bob Calhoun, Bob Lass, Tom Olson, and Wally Weiss also swam to first place, against supposedly superior opposition, in the time of 1:05.4. Bob Calhoun took seventh in the backstroke. The free-style relay team of Nielsen, Hetland, Lass, and Baumgartner did not make it to the finals but gave it all they had. Olson and the medley-relay team were selected to the all-state swimming team after the season was over.

The team will lose seven graduating seniors but seven returning lettermen will try to replace them along with some excellent "B" team prospects. Congratulations to Coach Warner for his fine first year record and to the hard-working boys who achieved a very impressive record.

Special recognition is given to Tom Olson who consistently set pool, school, and state records throughout his four years on the squad. In the 100-yard breaststroke, Tom's best time was 1:03.8, which is only 1.8 second off the national scholastic record. Tom's time will make him eligible for the All-American Scholastic Team. West Bend High School is truly proud of its excellent swimmer and its great team.

Tom Rice aided the team with his excellent diving ability.

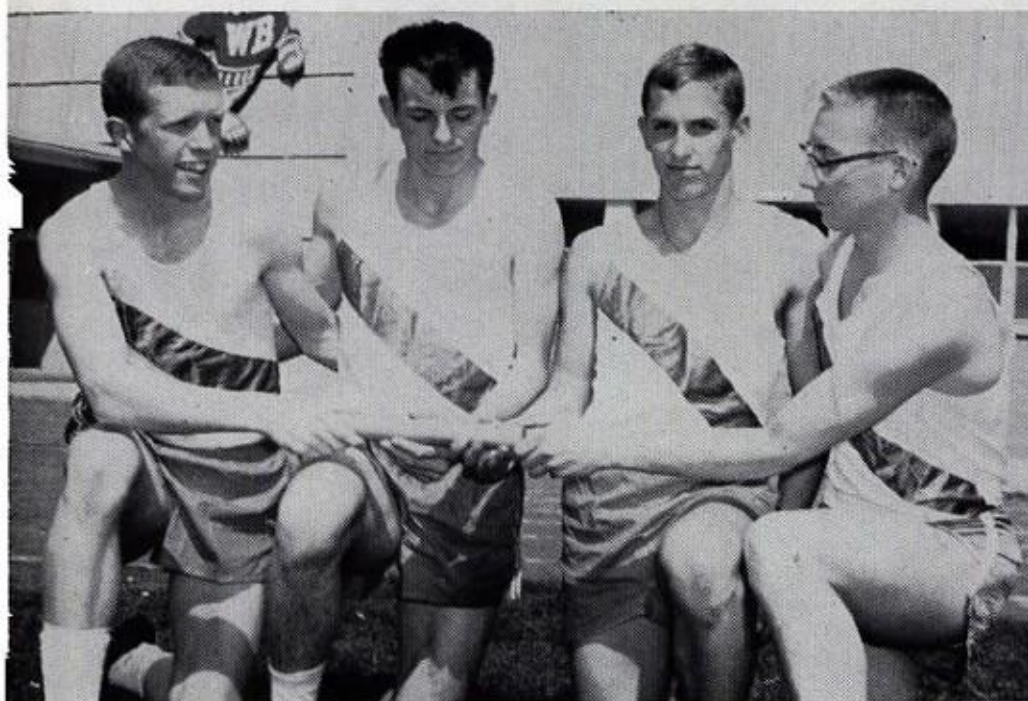

Track . . . Cindermen Place

John Punzenberger demonstrates his pre-sprinting position.

The track season of 1962 will long be remembered as one of the best in the history of West Bend High School. Under the able guidance of head coach, Bob Strohacker; distance coach, Bob Cross; hurdles coach, Ken Schermacher; and weight coach, Bob Caldwell; our cindermen blazed to a Little Ten victory with a fantastic total of 87 points as opposed to the second place total of 37 points scored by the Badger's traditional track rival, Oconomowoc.

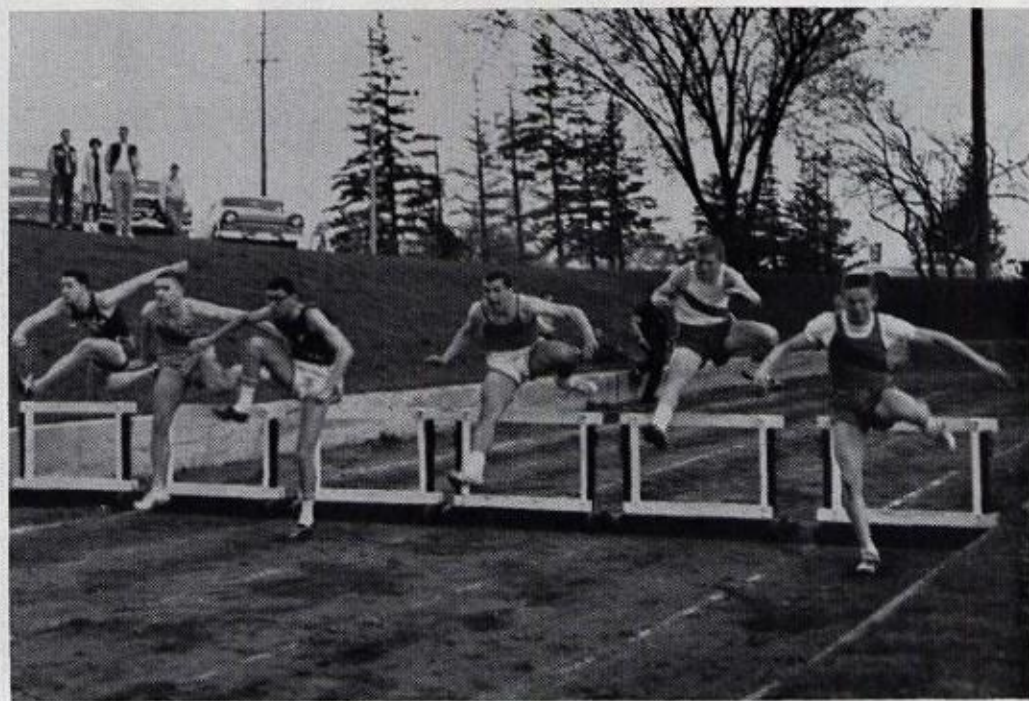

John Kitchen, Jim Brodzeller, Bob Lass, and Tom Randall comprised an excellent relay team.

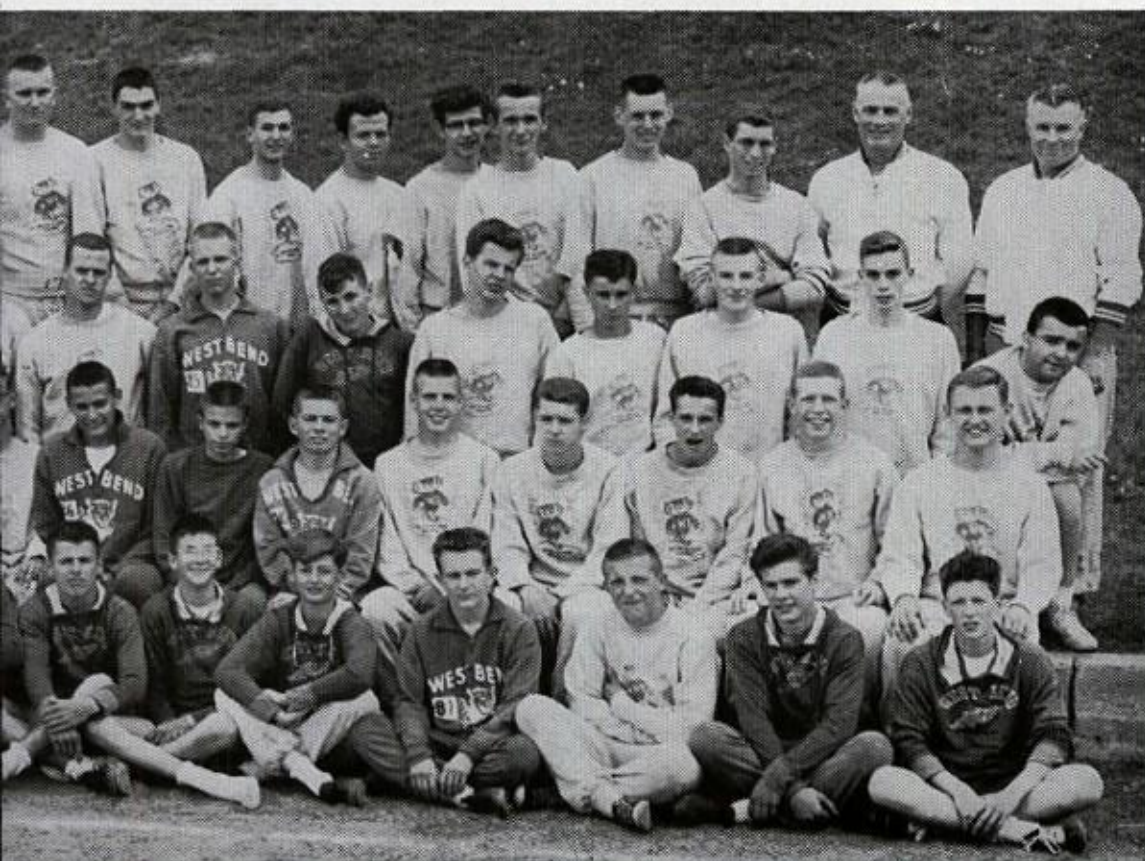

Front row --- Jim Henke, Bill Russell, Joel Weiss, James Hammen, Tom Watzl, Ray Wiedmeyer, Dick Punzenberger, Mike Gonring, Joe Odermann, Gary Bingen, Jim Beduhn, Larry Miller, Farnsworth Schneider, Mike Helme, Steve Spaeth, Lloyd Uelmen, Robert Slavik, Jim Froelich.

Second row --- Bruce Busch, Dave Chapman, Tom Potter, Len Backus, Ron Spaeth, Elmer Hoffmann, John Ackerman, Ron Guse, Roger Dean, DuWayne Tackes, Jim Tiegelman, DuWayne Wornardt, Tom Hron, Pat Riebe, Jim Patton, Steve Dickmann, Rick Ginocchio, Mike Naumann, John Kitchen, Bruce Hutson.

West Bend won not only the Little Ten Championship but also scored a convincing triumph in the triangular meet held with Hartford and Port Washington. Further, the Badgers copped first place in the West Bend Invitational Meet. The Freshman-Sophomore team also had a good year capturing honors in both the Little Ten and Port Washington Invitational Meets.

Back row --- Coach Terry Warner, Coach Ken Schermacher, Coach Bob Cross, Pete Kober, Bob Groth, Tom Randall, Jim Groth, Tom Rice, Jim Brodzeller, John Punzenberger, Bob Lass, Ed Placek, Tom Olson, Jerry Hoepner, Del Schneider, Ken Willkomm, Mark Kleinhans, Paul Beduhn, John Berend, Duane Enderle, Jeff Haebig, Coach Robert Caldwell, Coach Robert Strohacker.

Individually, the varsity team members did an outstanding job. Tom Randall, Del Schneider, Ken Willkomm, Ron Guse, and Steve Dickman all placed well in the mile and half-mile events of every meet. John Punzenberger and Pete Kober were fast in the sprints. Excellent performances also were turned in by weight men. Ed. Placek broke the former school record in the shot with a throw of 52' 7 $\frac{3}{4}$ ".

Ed Placek broke the former school shot-put record this year.

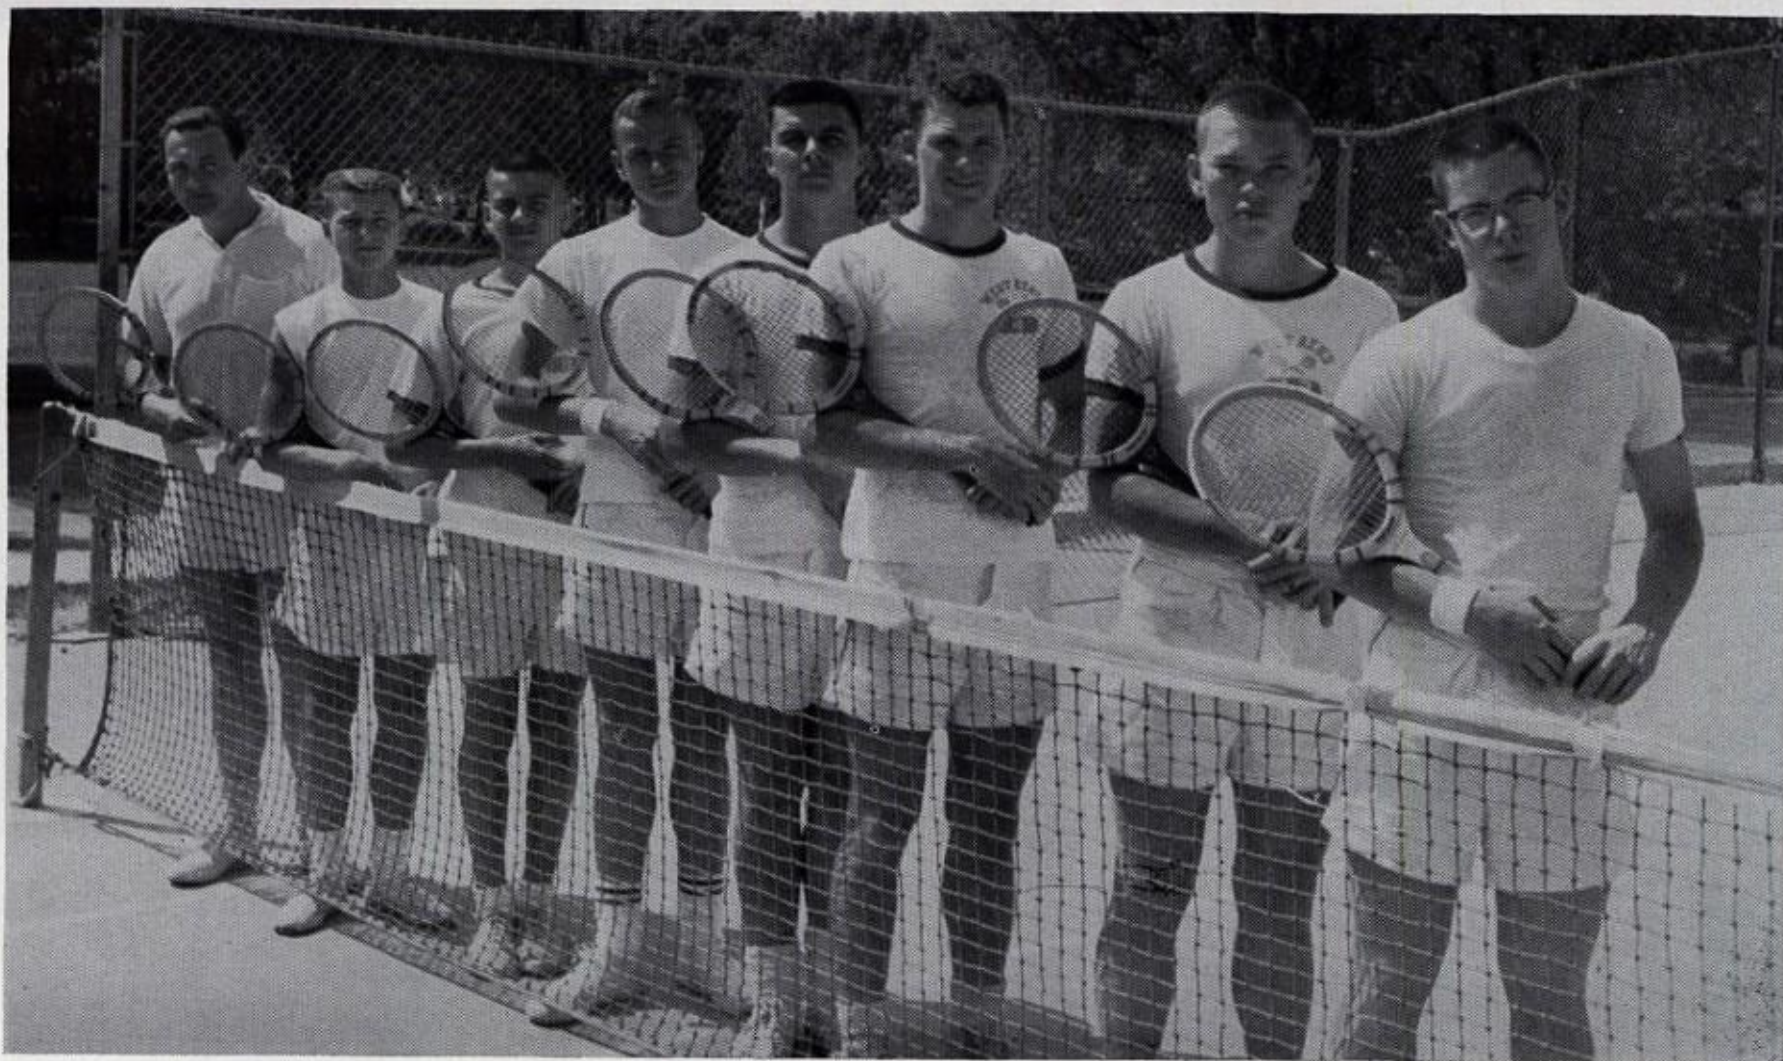

Team scoring was aided through the efforts, also, of Tom Randall, Bob Lass, Jim Brodzeller, and John Kitchen as they all performed excellently on the relay-team.

The team loses only three seniors through graduation: Jerry Hoepner, Jeff Haebig, and Del Schneider, captain of the '62 team. With only three lettermen being lost through graduation, the prospects for another championship in '63 seem excellent.

Kathleen Petermann was West Bend's representative on the Track Court.

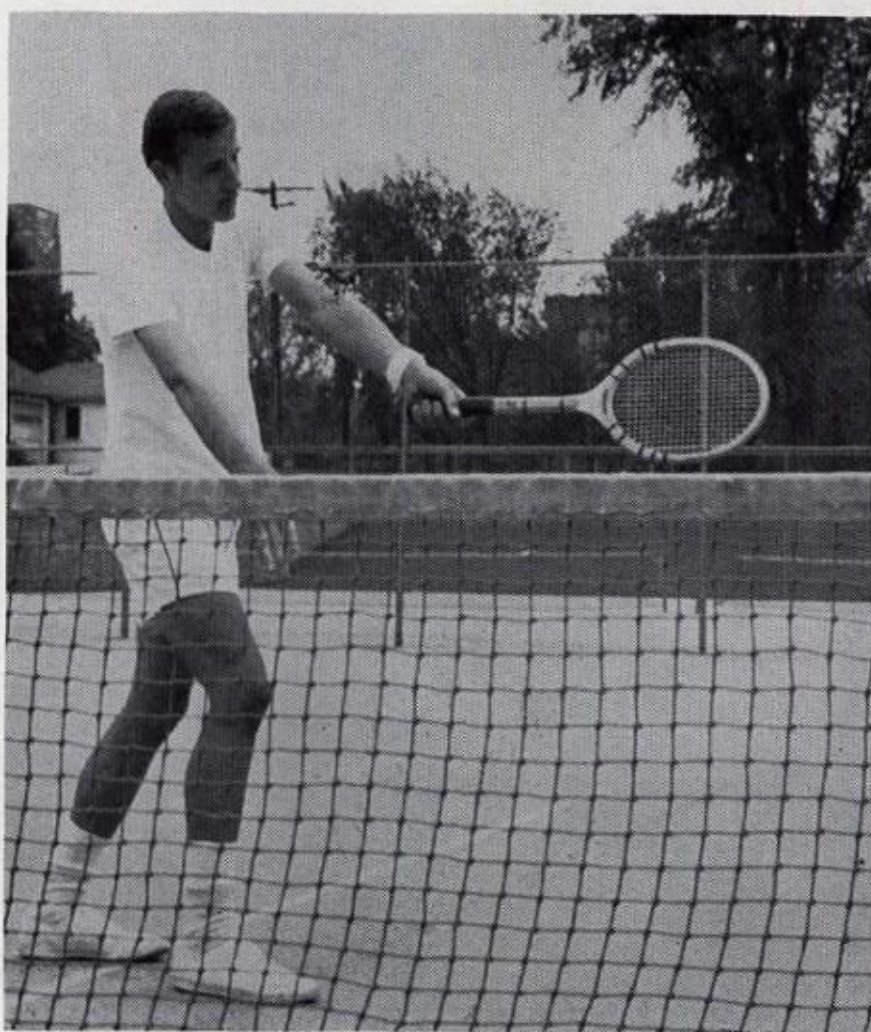

Tennis . . . Netters Again Prove

1962 VARSITY TENNIS TEAM

Coach Jim Kannal, Ken Metzger, Dick Buddenhagen, Pete Bartelt, Butch Buddenhagen, Ron Kirkland, Phil Roos, Larry Hays.

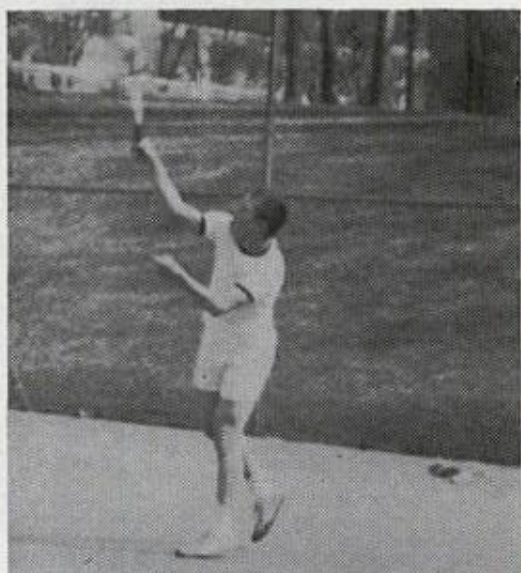

Once again, the West Bend tennis team battled its way to prominence in the 1962 season, capturing second place in the Little Ten Conference Meet. The squad overpowered all opponents except Beaver Dam, Sheboygan, and Waupun, ending the season with a record of seven wins and three losses.

Instrumental in this success was the varsity division of the team, which was comprised of Pete Bartelt, Tom "Tiny" Michels, Larry Hays, Mark Gonring, Ron Kirkland, Floyd "Butch" Buddenhagen, Phil Roos, Ken Metzger, and Dick Buddenhagen. Under the watchful eye of Coach Jim Kannal, Bartelt, Hays, Buddenhagen, and Kirkland captured second place in the Sectionals and became eligible for state competition. Later, at the Wisconsin State Tennis Tournament held in Neenah, the same four fought their way to 10th place, a feat unequaled in the history of West Bend tennis. In addition to this achievement, Bartelt became the first West Bend netter ever to reach the state quarter-finals, a success which ranked him 7th in high school competition.

West Bend also participated in the Nicolet Quadrangular Invitational Tournament, which was the only

non-conference meet attended by the team during the season. Nicolet, it might be pointed out, is highly rated in the state, but, nonetheless, Bartelt and Michels finished second in the doubles competition, while Bartelt himself took second in the singles division, losing only to the number one player in the state. Thus, of the four teams competing, West Bend, as a unit, took second place in the meet.

Although the team lost Michels, Gonring, Hays, and Kirkland through graduation, ineligibility and transferring, the squad will be bolstered by the following lettermen: Pete Bartelt, "Butch" Buddenhagen, Phil Roos, Ken Metzger, Dick Buddenhagen, Dave Clark, and Dave Scheer. Other hopefuls for the coming season are the 1962 numeral winners: Tom Eickelberg, Michael McGrath, Donald Quade, and Doug Schneiss.

Special recognition must be accorded to Pete Bartelt who attained a goal enviable not only to tennis enthusiasts but also to athletes in any field of endeavor. Besides rising from the position of numeral winner to number one man on the team in only one short season, Pete earned a ranking in the state and also won the Little Ten Singles Championship. His performance during tournament play and his victories throughout the season reveal that with striving and continuous practice, one's goals can be obtained.

Under the capable coaching of Mr. Schermacher, the West Bend High School matmen finished the 1962-63 school year with an impressive showing. One of the newest sports to come to West Bend High, wrestling is also one of the toughest, for it requires long hours in steady practice. Rules must be learned and obeyed by the team, good sportsmanship must be practiced at all times toward fellow matmen on the home team as well as those on opponent teams. Although wrestling is fairly new to WBHS, we students can be very proud of our team, for it is one of the best.

Of the fourteen members of the varsity team, seven are to be in the graduating class of 1963 and will not be returning next year. They are: Gary Barber, Lee Welch, Jim Groth, Bob Groth, Pete Kober, Mike Hron, and Dave Patton. However, the boys returning next year are sure bets to gain honor for themselves, their families, and their school during the 1963-64 wrestling season at West Bend High.

Cross Country . . . Harriers Have Ups-Downs

With four lettermen back in the fold from last year's championship team, the Badger harriers eagerly prepared for another season and entertained hopes of another championship.

It was an up-and-down season for the Badgers. They did well in posting victories over Port Washington and Kewaskum in dual meets, but had to settle for a second and third in triangular and pentagonal meets respectively. They also bowed to a rugged Menomonee Falls team in another dual meet.

In big meets this year, the harriers placed seventh at the Port Washington Invitational and eighth in a field of twenty schools at the Hartford Invitational.

After winning two successive Little Ten Cross Country Championships, the efforts of the Badger harriers to cop an unprecedented third straight title were not rewarded. In this year's conference meet, the team placed fourth behind Berlin, Ripon, and Beaver Dam.

Leading Coach Robert Cross' team this year were lettermen Dick Punzenberger, Ron Guse, Steve Dickmann, Ken Willkomm, Bob Lass, and honorary captain, Pete Kober. With lettermen Punzenberger, Guse, and Dickmann along with the members of a championship "B" squad returning, the prospects for next season appear quite bright.

1962 VARSITY GOLF SQUAD

Standing --- Rich Backus.

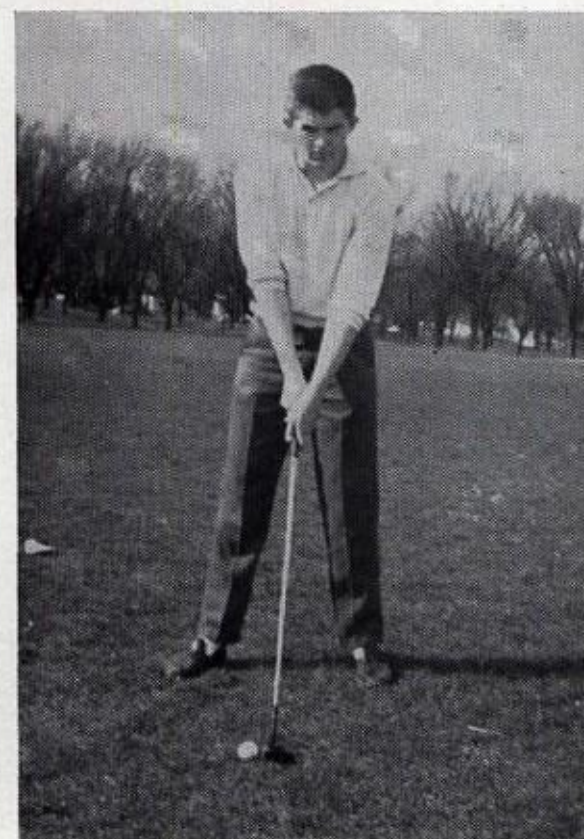

The 1962 golf team, under the capable guidance of Coach Jack Weier, continued to show steady improvement. This was made evident as the Badger linksmen placed third in conference play.

Coach Weier has been steadily rebuilding his team and is looking forward to an even more successful season next year. His hopes are not unfounded because he is losing only one of his lettermen, Rich Backus. The nucleus of next year's team will be four returning emblem winners, Dave Hammer, Mark Kannenberg, Mike Engelbrecht, and Richard Opgenorth. These four experienced returning lettermen will be supported by a strong team made up of John Bradley, Chip Nielsen, Tom Juech, Greg Pfister, Henry Schloemer, Gary Shabino, Tim Sullivan, and Jim Volesky.

In an eighteen hole play-off in the summer intra-squad handicap meet, Jim Volesky handily won the championship from Dave Hammer. This was the first meet of this type held by our golf team and will be continued in ensuing seasons.

Coach Weier's aspirations for next year are high, and if the past record is any indication of the future, his wishes are sure to be fulfilled.

Rich Backus anticipates a putt.

Baseball . . . Champions Post 12-0 Record

Pitchers Roell and Gonring excelled on the mound.

This year, the Badgers were undisputed champions of the Land o' Lakes Conference and enjoyed a perfect season with a 12-0 record.

After losing only two lettermen from his previous year's squad, Coach Carl Kuss had quite a list of letter winners from which to mold the strongest team in the conference. Among his outstanding returning players were Mark Gonring, Dave Roell, and Brent Nicastro, who excelled on the mound. They were supported by the potent hitting of Ed Placek and Ron Kirkland. The team's success was also due to the fact that the season was comparatively injury free.

Three new players broke into the varsity lineup this year. They were: Ken Metzger, Mike Engelbrecht, and Mike Naumann. This trio promises to be a great asset to the team next season.

Coach Kuss is looking forward to another interesting season because he is losing only four of his varsity players. Mark Gonring, Jeff Haebig, and Bill Sackett were lost due to graduation. Ron Kirkland became ineligible because of his age.

Each year at West Bend High School, when a long and hard year of books and homework is drawing to an end, anticipation is in the hearts of those students who have applied for scholarships or are to be named for special recognition.

During the past year, the majority of students at West Bend High were actively engaged in numerous extra-curricular activities which took up much of their time and energy. For this effort, they were rewarded in many ways: knowledge that parents, relatives, and friends were behind them all the way; a special smile from a certain beau; or a complimentary word from a stranger.

Participating in these activities brings many rewards which are not voiced, such as inner satisfaction and a knowledge of the subject. Students join activities for their own personal satisfactions, for they know that they will benefit greatly while still in high school, and later on in life.

Often, when a student excels in a particular area, such as scholarship, leadership, athletics, or public speaking, he is not only gratified by the pleasure he brings to himself through this experience, but also in the pleasure he imparts to others through his ef-

fort. It is for this reason that many West Bend High School students are honored annually at a special Awards Day program.

The school wishes to thank the community and civic leaders, who donate the awards, for their role in aiding the students who deserve the awards.

The students who won awards at the close of the 1961-1962 school year are, as follows:

Kay Martin, Bausch and Lomb Science Award; Kathy Filo, DAR Good Citizenship Award; Susan Grundahl and Jeff Haebig, American Legion Awards; Delbert Schneider and Jack Stoltz, W. B. Athletic Club Award; Carmen Waechter and Jeff Haebig, Carl Pick Memorial Athletic Award; Mary Finch, West Bend Future Teachers Scholarship; Kay Martin and Ron Wolf, West Bend Alumni Association Scholarships; Charles Shabino and Mary Hess, D.
